NEWS IN BRIEF

Pope says 'Devil is more dangerous when he is polite'

VATICAN CITY — Pope Francis said, "The devil is more dangerous when he is polite and friendly... than when he shows his true face and blatantly pushes people to sin", according to an Article in The Catholic News Service Vatican.

Carol Glatz, author of the article quoted the pope as saying, "nature of the devil is to destroy" what God has created, and that When the devil is unable to destroy something directly, through conflict or vices, he looks for another, sneakier way to attack because he is "slier than a fox".

According to the article, the pope goes on to say, "These well-mannered demons are worse than the worst..and that these demons, "don't make noise, they make friends..."

Thousands Tricked into Buying Fake Organic Food

Four Midwestern farmers are scheduled to be sentenced for cheating organic food buyers—the largest fraud scheme of its kind in U.S. history.

Federal prosecutors say the farmers are responsible for a seven-year scheme that tricked thousands of customers into paying premium prices for products that were marketed as organic but were not.

Prosecutors are seeking prison sentences for the alleged leader of the scheme, Missouri farmer Randy Constant, and three Nebraska farmers who worked with Constant. All four have pleaded guilty to fraud charges. They admitted that they grew non-organic corn and soybeans, and a small amount of certified organic grains, and falsely marketed them all as organic. Most of the grains were sold as animal feed to companies that marketed organic meat and meat products.

If you want to eat organic food, as The Messenger taught, GROW YOUR OWN!!! Eat one meal a day and fast at least three days every month to ward off the poisons the devil puts in the food you eat.

Foods Banned Around The World

In Europe and Great Britain, selling chicken treated with chlorine has been banned since 1997. Since 2010, chlorinated chicken has also been banned in Russia. Chicken is washed with chlorine to prevent salmonella and other bacterial infections. In Europe, this method is considered dangerous because a high chlorine content may cause carcinogens, that is, any substance capable of causing cancer to form in poultry and that can be harmful to human health.

Cereal bars, oatmeal and the like, are considered to be among the healthiest foods. Rich in essential vitamins and minerals worldwide. However, in Denmark, these products have been banned since 2004. According to the Danish Veterinary and Food Administration, they contain excess of toxic substances, which can have an adverse effect on children's livers and kidneys if consumed regularly.

Salmon that was born and raised in the wild is rich in omega-3 fatty acids and is good for you. The farm-raised version, however, has a diet of grains, antibiotics and other medicines, which makes the fish a grayish color. To give it an attractive-looking pink shade, it is processed with synthetic substances. No wonder farmed

Potato chips, containing olestra (a synthetic fat substitute) are banned in Canada and Europe. It doesn't add fat, calories or cholesterol, but this supplement prevents the body from absorbing useful substances and vitamins and can lead to severe stomach issues. One journal reported two case when healthy kids had stomach problems while and after eating potato chips containing olestra. It's often used in potato chips labeled "light". It can also be found in certain sources of cheese, margarine, crackers, ice cream and other products.

An inspection conducted by the United States Dept. of Agriculture, in 2014 found that 80% of apples contained diphenylamine, also known as, DPA, which helps fruit stay fresher for longer, so they can be exported all around the world. In Europe DPA is considered to be a harmful substance that may cause cancer, which is why apples that contain it have been banned there since 2012.

Europe and Australia. ADA is used to make flour white and helps keep products fresher for longer. It may cause allergies and asthma.

Raw milk is illegal in much of the United States, but the synthetic hormone, rBGH, contained in many dairy products isn't. This hormone is supposed to increase milk production, but is not to cause infertility and antibiotic resistance in cows that are treated with it, and it's also linked with certain kinds of cancer. You can see why it's banned in Canada, Israel, and the European Union.

To produce instant mashed potatoes, mutilated hydroxyanisole (BHA or E320) is often used. The National Institute of Health conducted several studies and concluded that this preservative is potentially harmful to human health. BHA can also be found in other products, like frozen foods, soups and mayonnaise. This substance is banned in Japan and some European countries.

HOLY QURAN

Chapter 4:142-145

By Elijah Muhammad
MESSENGER OF ALLAH
Reprinted from Muhammad Speaks September 19, 1969

THE above verse (142) speaks the truth of the actions of hypocrites. The hypocrite thinks he is deceiving Almighty Allah (God), Himself and those who believe in Allah (God) and who follow His Truth.

AGAIN, the hypocrite is known by his wavering between that (falsehood) and this (truth) and he belongs neither to these nor to those (verse 143).

THIS should make it clear that Allah (God) Shows that type of person His Independence of them by leaving them in such a condition, since they cannot decide between belief in the truth of Allah (God) without adding falsehood to it.

THE hypocrite wants to mix up the truth with falsehood. He sits straddling a fence. He has no sense of loyalty. He will fall on either side, even though it be on the side of the devil. He will fall on the side from which he thinks he can obtain benefit. However, the devil's side will be short-lived.

Verse 144 warns the Muslim, who are true believers, not to take disbelievers for friends, rather than true believers (Muslims). For in taking disbelievers for friends, Allah (God) will make you manifest and your manifestation will bear you out that you are not a true believer; that you are a hypocrite because your friends are not friends of true believers.

Recently, salmon farming has also been banned in Washington State (USA).

According to a study, published in Science Direct, in 2016, eighty-two percent (82%) of all grown soy beans are genetically modified. The effects of GMOs on the human body haven't been fully studied, but GMOs are prohibited in some European countries; Russia, The Persian Gulf countries and other states. What's more, soy sauce can also contain ethol-carbamate (a dangerous carcinogen).

Quite often, the meat of cattle, pigs and turkeys is produced with ractopamine. This hormone allows and animal to gain weight faster. Scientists believe that this meat can be harmful for people and lead to cardiovascular diseases. Meat produced with ractopamine is banned in 160 countries; including the EU countries, China, and Russia.

It helps the citric flavor stay crisp and prevents separation, but builds up in the human body. Large amounts of BVO contains soda can cause serious health issues, from skin and nerve problems to memory loss. That's why it is banned in Europe and Japan.

A lot of United States manufactures of bread, wraps, rolls, bread crumbs and the like, add potassium bromide to bleach dough to make it more elastic. It helps them reduce baking time and cost, but can give its consumer some serious kidney and nervous system damage when consumed in large quantities. 'New-school' Muslims Love The Devil

Jesus was black, but, as the Messenger said, the snake has that fork tongue. When you look at this Black Jesus it's the same way we looked at the white Jesus, with the halo he was glowing.

He's telling you the same lie about the Black Jesus as he told about the white one. He just made this Jesus black.

If the Whiteman has a black Jesus and he's still telling you that he died on a cross, he's still telling you about the spook heaven, he's still telling you to love everybody, he still has you eating hog, he still has you going by the names of Jenkins, Jones, Jackson, Smith and Culpepper, and he still got you loving him, what's the difference?

That's a snake! He's still a snake but the Messenger made it hard for the snake. The snake couldn't tell us the same old "Negro, Nigger and Colored Boy" stuff that they used to tell us. So they understood that the Messenger's truth is getting to black people.

They think, "so instead of us giving these black people these white lies, give them these black lies and just have another black person cosign what we're saying."

So now you see the devil being "friends" and going on stage with Black people they can't stand. The Messenger said that the nature of the Whiteman he has a fork tongue. He will talk truth with you and he will talk evil with you. This is what is called TricKnowledgey. He lies to you in one word and tells the truth in another word to keep you thinking that he is a friend of yours. telling the truth in one word and following it with 100 more words that are other than the truth.

So you got this Devil, marching with black people and sitting on he stage with Muslims bearing witness.

Before I became a Muslim, I saw him on stage with one of these Muslims at this Muslim function.

You should've seen how he was bearing witness. He was bearing witness like he was black.

The Black man and woman are a good hearted and good natured people who turned to evil because we were taught by the Devil. You could work with somebody like that. But white people are different, their nature is evil.

So when the Messenger teaches What is Islam and what is a Muslim? He's dealing with the nature of the people.

But even after all of the hard-core teaching from The Messenger, you have some "new school Muslims" still loving the Devil.

"New school Muslims" love this Devil right here.

But the snake has a fork tongue and not a straight tongue. The fork tongue tells lies on one side and the truth on the other side but he keeps the lie going stronger than the truth. So the fork tongue person is something which by nature it is not good to take him for a friend.

Father Pfleger isn't like an ordinary Devil to "new-school-Muslims". They think he's some kind of honorary Devil. Because this Devil has a black church. Father Pfleger has a "Black Jesus" hanging in his church.

Here he is standing next to black Jesus. The death, dumb and blind Blackman loves that. when they see a white man who got a black Jesus, they think, "he's a good white man".

Donald Trump: The Chosen One

DETROIT--In the Name of Allah, Who came in the Person of Master Fard Muhammad, I forever thank Him for raising up His Last and Greatest Messenger, The Most Honorable and Humble Elijah Muhammad (peace be upon him).

As-Salaam-Alaikum.

Donald Trump's message to four non-white (Black) members of Congress to "go back to where they came from" is not a bad idea, as long as white people do the same.

Just think of how much more peaceful the world would be if everyone 'Returned to Their Own' as The Messenger taught.

But white people would have to go back to the hills and caves of Europe first.

They'd have to leave America, Africa, Asia, South America, etc. Every Black (non-white) Nation around the world should be chanting, "SEND THEM BACK!"

What good would it do for Black people to return to their own Nation and there sits the same white devil that used the divide and conquer tricks that caused them to have to leave in the first place.

What good would it do for Black people to return to their own Nation and there sits the same white devil that used the divide and conquer tricks that caused them to have to leave in the first place.

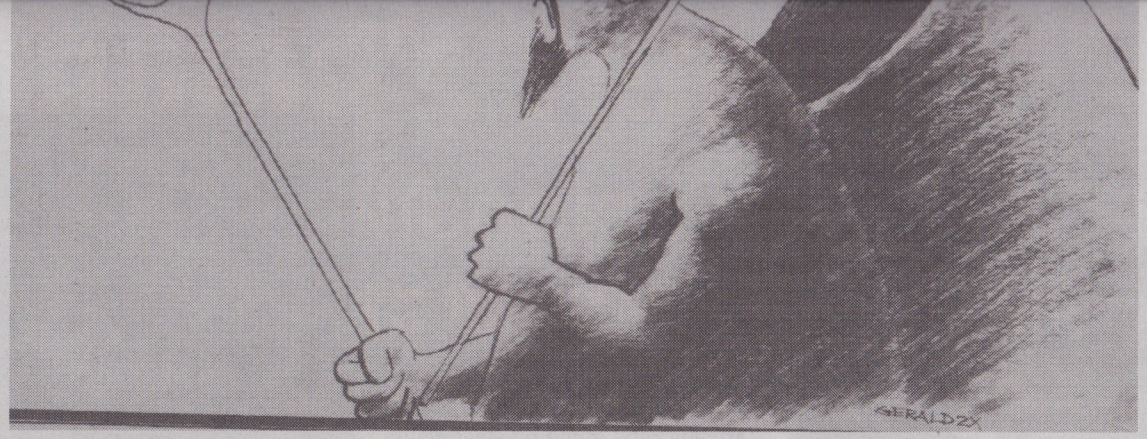
The Last thing in the world that America wants is for Black people to RETURN TO OUR OWN. Because white people know that the whole earth belongs to Black people. And they know this is the end of their time to rule us.

Donald Trump's presidency is a good example of how an unrighteous ruler will behave in the last days of his rulership. As a matter of fact, Trump is a good example of white rulership, Period. He is the face of Corrupt America.

Trump came in office saying that he was going to serve more than two terms, even though the American law says only two.

Messenger Elijah Muhammad warned us throughout the book, "Fall of America" that the devil does not want to give up his rule over the Nations of the earth and how he will act at the end.

The Messenger said, "With the end of the rule of the white race over the Black people of



earth in sight...he will continue to try holding onto his rule; his subjection; his thinking of what he has acquired under such rule -- that which is his and he cannot give up the prey -- his concession -- the merchandise which he has exploited out from under the noses and eyes of the real owners (Black man). He is willing to shed the blood of his own people and that of others to hold onto that which he calls his..."

The Messenger says, "It is the desire of the white race to continue to hold power and authority over Black Africa, whether it is in Rhodesia or elsewhere. They will just have to give it up. England, Germany, Italy and France -- especially England, France and skeleton Germany -- seem to be the die-hards.

The white men in Rhodesia would be acting wisely if they would realize that one day, sooner or later, they must pack up and leave. Wherefore I quote the Bible prophecy concerning the separation of nations... 'Every man must go to his own.' This is the clearest and most direct justice that God and man could agree upon."

The Messenger continues, "This is nothing but justice; that we have possession of what is our own. The white man is conscious of the fact that he deceived the Black man of the knowledge of the Black man and his possessions. But that particular authority was given divinely; temporarily. But, by the same Divinity, it is now being taken from the white race.

The white race is facing doom because she will not act according to justice and righteousness -- which was not by nature put in her. But this is known and her race is frightened concerning her future, as we see here in America."

The Messenger said, "The white man recognizes his coming doom and many of them would rather die here than to do elsewhere, outside of America, to try to defend what they call "their own independent sovereignty." Some have poured gasoline over themselves and committed suicide by setting themselves afire. "

In late August, 2019, President Trump, reportedly, suggested dropping a nuclear bomb inside hurricanes to "prevent hurricanes from making it to the U.S", an idea that government officials say President Eisenhower suggested years ago.

Thanks to Trump's persistence concerning "nuking" a hurricane, scientists were forced to admit and explain, openly, how powerful Allah's (Master Fard Muhammad's) Divine Weapons are, compared to the Devil's (white man's) little Nuclear Bomb.

For instance, the chief meteorologist for NBC's affiliate in Miami, John Morales, tweeted "Over my 35 years as a meteorologist I have received calls & handwritten letters from people proposing this, I gently try to explain to them that according to @NASA a hurricane can expend as much energy as 10,000 nuclear bombs..."

The Messenger warned us about this very thing saying, "... These are signs of the end of the present world....The sea and ocean are heaving up tidal waves to unimaginable heights that man has never witnessed before on earth. This is another plague that is upon the wicked...Allah will use the power that is in the earth and in the sea against the world of evil. The white race think that they have control of the power of the earth, sea and air. It was prophesied that for a time they would subdue and have the use of the power of the sea and ocean until He Comes Whose right it is to rule.

The heavens and the earth belong to Allah (God). Now it is His time to rule.

There is much prophecy concerning the terribleness of the judgment of the wicked.

The power that is in the water is in the Hand of Allah (God) to use it against whom He pleases. The earth, wind, rain, snow and ice and earthquakes are controlled by Allah (God).

It is a fearful sight to see the Display of His Power with the forces of nature bowing and submitting to His Will. I should warn you that this is now coming into action against the Western world. There will be the destruction of whole fleets at sea. Those which are capable of lying on the ocean and sea bottom will be destroyed.

The die is set, with a foolish people, who like, in the time of Noah, could not see the sign of the rain, bringing on the Flood even after the clouds began to darken the sky. They did not see the on-coming rain until it actually started to rain.

So it is with America. They pay no attention to the signs of the judgment that is now taking place. As the Bible prophesied in Rev. 16:9, they...'blasphemed the name of God, which hath power over these plagues...'. How many in America and the city of Chicago disbelieve and even mock and swear at the Name of Allah, Who has power over the forces of nature on land, sea, and air."

HOW NOT TO EAT PORK

Pork and the Preacher

By Sister Shahrazad Ali

'And the swine, though he divide the hoof, and be cloven-footed, yet he cheweth no the cud; he is unclean to you.
Of their flesh shall yet not eat, and their carcass shall ye not touch; they are unclean to you.'

Bible
Leviticus 11: 7-8

Excerpt reprinted from the Book, How Not To Eat Pork

A lot of the clergy I interviewed had earned Doctorates of Divinity (a D.D. degree).

While visiting a theological seminary I questioned several of the instructors about what they teach, their curriculums, schedules and priorities.

As you probably guessed, eating of the swine was no where to be found as a subject for discussion or class study.

I was told, "It doesn't matter what you eat as long as you believe."

A lot of the instructors found the entire issue humorous and only laughed at my questions. They were not as concerned with saving what was in it (pork) they intended to keep on eating it."

It seemed they believed themselves to be exerting their own individuality and assertiveness of choice.

Ever so often one or two of the quieter ones would pull me aside afterwards and say: "you know, I really don't eat it as much as I used to" or "I have a friend who says he/she gave it up and they feel much better."

Sometimes when I talked to several (up to 7-8) church members at one time, I could hardly get a word in edgewise because they would all start testifying at once about how much they loved pork, and the

Excerpt reprinted from the Book, How Not To Eat Pork

A lot of the clergy I interviewed had earned Doctorates of Divinity (a D.D. degree).

While visiting a theological seminary I questioned several of the instructors about what they teach, their curriculums, schedules and priorities.

As you probably guessed, eating of the swine was no where to be found as a subject for discussion or class study.

I was told, "It doesn't matter what you eat as long as you believe."

A lot of the instructors found the entire issue humorous and only laughed at my questions. They were not as concerned with saving the body as they were with saving the soul.

I would give just about anything to hear and old fire and brimstone teaching on why we shouldn't eat pork supported by religious text.

I should add, that in the South I found several small Christian sects who did not eat pork (pork meat) and these groups were pleased to find out that I didn't eat it either and invited me to stay a while to fraternize and break bread.

While in the North, occasionally I would stop and talk to a few members of randomly selected congregations and once again the subject of eating pork was met with amusement.

I didn't question the older adults (for reasons already mentioned in this book), and I got the sneaking feeling that many of the interviewees between the ages of 30-50 felt they were very liberated and modernistic in their responses when stating they "didn't care what was in it (pork) they intended to keep on eating it."

It seemed they believed themselves to be exerting their own individuality and assertiveness of choice.

Ever so often one or two of the quieter ones would pull me aside afterwards and say: "you know, I really don't eat it as much as I used to" or "I have a friend who says he/she gave it up and they feel much better."

Sometimes when I talked to several (up to 7-8) church members at one time, I could hardly get a word in edgewise because they would all start testifying at once about how much they loved pork, and the kinds they were particularly fond of.

If I pressed further they would become uncomfortable with the subject and try to quickly change it.

Some members would become embarrassed and just move away from the group, and a few others refused to make direct eye contact with me while they were ranting about how much they loved the hog.

One young man, a deacon, told me he intended to keep eating pork until they tell him to stop. He never identified who "they" were, and I never asked.

I tried to get into a few church kitchens but was stopped at the door, (and get this) one good sister told me that she knew a few members who didn't eat pork when they first came to the church, but "after they hung around here for a while they started to, and now they can't get enough of it. I left.

'New-school' Muslims Love The Devil

Continued from page 3

clap and bear witness to this "new school stuff". Because in this new school stuff, After they say, "The White man is the Devil", they will turn right around and say, "There are some Black devil's too!"

That's that forked-tongued stuff. Truth mixed with falsehood. That's why he can get on stage and clap for that.

To the left, is the February 24, 1967 Muhammad Speaks and it's called "Call to Brotherhood of the Black Nation, Join Now!"

Here you can see the big difference between the Messenger and this "new school" stuff.

You see the Black Brothers dressed in their FOI Uniforms. Then you see some Black Muslims from the East, dressed in their style of clothes, both groups of brothers are reaching their arms toward each other. Then you see the FOI shaking the hand of Eastern Black Muslim. That's what The Messenger used to talk about when he used to say "Muslim" written on the leg of these brothers, letting you know "these are Muslims" Then you see the same brothers from Africa and Asia, dressed in their Muslim style with their arms out. Then you see one brother going in the opposite direction and he saying, "I don't like my own, I love white folks".

So The Messenger is making it clear. All these are Muslims. When you look at all The Messenger's writings and articles, he never makes you think it's something outside of Islam. Never!

He never makes you think it's a good Christian. Even a Black one! No preacher and good preacher! He never makes you think that! No! "It's the ice house". "He's the ice-maker!" With him sitting there!

The closest he go to saying something good was that he was "showing signs". But if you in the church, you're going to hell. Simple as that. He never tried to make them feel like what he was saying was outside of Islam, the Messenger was teaching in a church and liked the building. He said it was a nice church and that he liked coming to speak at this church. But, he said, "The only thing I'd change is I'd take that cross off and put a crescent up there". Then he started explaining how the song that they sing in church that says, "trade in that old rugged cross for a crown" while he was wearing his "crown" with the star and crescent on it. Right there in the church!

He never tried to make you think that anything was good outside of What is Islam and what is a Muslim. Never!

So he goes on to say, "We are the lost members of the original Black Nation and have been found and chosen by Allah to make a Great Nation. A Nation under his guidance to exalt the Nations of the past."

This is what separates us from the "new-school" stuff. The Messenger says, "...UNDER HIS GUIDANCE!"

But the "new-schoolers", talk like Master Fard Muhammad is NOT still in control. I had plenty of these "new-school" brothers tell me, "Well, brother, Master Fard Muhammad ain't coming back, you talk like you believe in a Mystery God." That's what they say.

So let's talk about some history. Because what we call the white man, Right? In the Lessons! We say, "Yacub's civilization"! Why? Because we believe in a Mystery God?"

Why did The Messenger say, "It's two Gods on the scene, today, The Good God and the Evil god"? Yacub is the God of the White man and he did more than 6,000 years ago. Master Fard Muhammad is our God!!!!

Messenger Elijah Muhammad said, "The Presence of Allah means His Teachings!" He don't have to be right here with us. The Presence of Allah means His Teachings! Just like with Yacub!

Again, Messenger Elijah Muhammad said, "Of course Mr. Yacub lived but 150 years, but his idea continued in practice. He gave his people guidance in the form of literature. What they should do and how to do it. How to rule the Black Nation. He said to them, 'When you become unalike or white, you may return to the Holy Land and people from whom you were exiled.'"

Now, when Yacub was talking to these people, they were still Black. I wasn't talking to white people when he said that. It's more than him, physically, there with them. It was his wisdom that he left through the literature that they still had to follow and practice, even though many of them never saw Yacub.

The Messenger goes on to say, "Mr. Yacub taught his made devils on Pelan, that when you go back to the Holy Black Nation, rent a room in their homes. Teach your wives

Mystery God. Just because me and you have never seen Him, don't make Him no Mystery.

The Messenger said the wisdom of A God can last twenty-five thousand (25,000) years.

So we should be talking about Master Fard Muhammad the same way The Messenger talked about Him. We are a "NATION UNDER HIS GUIDANCE"! We may never see Him, but we saw His literature. We saw His Messenger! You can still see His Messenger! YouTube is flooded with video of Messenger Elijah Muhammad.

The Mystery is all that fake stuff Christianity has got going on.

Father Pfleger gave you a black Jesus, but he has him "glowing" like something "spooky" just like he does the white Jesus. That's a Mystery God!

I remember hearing a recording of The Messenger, while I still considered myself a Christian, and he said something plain and simple, but it blew my mind. He was talking about Jesus rising into heaven. He said the Christians say they saw Jesus go up there on a cloud. But, he said, "if clouds only go 6 miles high, what did Jesus ride the rest of the way?" That got me, Brother! I didn't have no answer. That one had me stumped!

That's how Master Fard Muhammad rules! Though His Wisdom that He gave to The Messenger!

The white man's Christianity has you worshipping a Mystery God. It's not real!

The Messenger goes even further

style of clothes, both groups of brothers are reaching their arms toward each other. Then you see the FOI shaking the hand of Eastern Black Muslim. That's what The Messenger used to talk about when he used to say

"Brotherhood" and "Join on to your own kind".

He wasn't talking about how we talk about today, about joining on with the Christians and with the all these other groups.

We like to take pictures with all these interfaith people that are still practicing filth and indecency. The Christians still eating hog. So how you talking about you unity with the Christians? Still doing all kinds of foolishness, not recognizing The Messenger as the Last and Greatest Messenger of Allah, but you got unity with him.

You got "unity" with a "Rapper", who's still cursing on his records. Still acting savage! But you have him on stage because you got "unity". No! That's wasn't The Messenger!

The Messenger had this cartoon on the inside of same The Paper.

You see, once again, he has there!

The closest he go to saying something good was that he was "showing signs". But if you in the church, you're going to hell. Simple as that. He never tried to make them feel like what he was saying was outside of Islam, outside of a Muslim. Everything The Messenger said was within that scope.

So the article that The Messenger wrote in The Paper was titled, "In This World of Crisis and Destruction of Nations, the only Escape you have is in Allah and following His Messenger."

The ONLY ESCAPE! This is how The Messenger taught for over 44 years.

In this article The Messenger writes, "As I warn you, the Judgment of this world has arrived. Get out of the church and get into a Mosque and join on to your own kind (THE NATION OF ISLAM). The house you are in shall surely fall and never rise again." That's The Messenger!

It was plenty of pastors, who used to let The Messenger come in their church and teach. I remember listening to one lecture when and chosen by Allah to make a Great Nation. A Nation under his guidance to exalt the Nations of the past."

This is what separates us from the "new-school" stuff. The Messenger says, "...UNDER HIS GUIDANCE!"

But the "new-schoolers", talk like Master Fard Muhammad is NOT still in control. I had plenty of these "new-school" brothers tell me, "Well, brother, Master Fard Muhammad ain't coming back, you talk like you believe in a Mystery God." That's what they say.

So let's talk about some history. Because The Messenger taught us history of the Nation of Islam and he taught us Yacub's history. That's why the Messenger said, "Study the Lessons". Not just to memorize them. STUDY THEM TO UNDERSTAND! It wasn't just for us to sound wise. Study to get an understanding!

The Messenger wrote in the book, MESSAGE TO THE BLACKMAN IN AMERICA, on page 116 (Titled "THE MAKING OF THE DEVIL"), "Of course Mr. Yacub lived but 150 years..." That's how long Yacub lived. But we know from reading "The Making of the Devil", it took 600 years to graft the devil. And the Messenger said before any change occurred in the people, it took 200 years. So Yacub never saw a devil. And the white man never saw Yacub. Never! But we're still in The Lessons. We still call him, "Yacub's grafted devil!" That's the form of literature. What they should do and how to do it. How to rule the Black Nation. He said to them, 'When you become unalike or white, you may return to the Holy Land and people from whom you were exiled.'"

Now, when Yacub was talking to these people, they were still Black. I wasn't talking to white people when he said that. It's more than him, physically, there with them. It was his wisdom that he left through the literature that they still had to follow and practice, even though many of them never saw Yacub.

The Messenger goes on to say, "Mr. Yacub taught his made devils on Pelan, that when you go back to the Holy Black Nation, rent a room in their homes. Teach your wives to go out the morning around the neighborhoods of the people and tell that you heard her talking about them last night. When you have gotten them fighting and killing each other, then ask them to let you help settle their dispute and restore peace among them. If they agree, then you will be able to rule them both. This method, the white race practices on the Black Nation the world over. They upset up their peace by putting one against the other and then rule them after dividing them."

So this white man, today, has never seen Yacub. But he is still practicing what Yacub told him 6,000 years ago. So do they believe in a Mystery God?

What does "Mystery God" mean? The Messenger said a Mystery God is something that doesn't exist. Something that's beyond human comprehension.

Master Fard Muhammad exists, just like Yacub. He ain't no he does the white Jesus. That's a Mystery God!

I remember hearing a recording of The Messenger, while I still considered myself a Christian, and he said something plain and simple, but it blew my mind. He was talking about Jesus rising into heaven. He said the Christians say they saw Jesus go up there on a cloud. But, he said, "if clouds only go 6 miles high, what did Jesus ride the rest of the way?" That got me, Brother! I didn't have no answer. That one had me stumped!

That's how Master Fard Muhammad rules! Though His Wisdom that He gave to The Messenger!

The white man's Christianity has you worshipping a Mystery God. It's not real!

The Messenger goes even further with: "Islam Means Unity". He said, "Islam is not a religion that has dominated the white race (devils) because they were not created, by nature, to be righteous people. Islam is a religion for the righteous, not for devils who were not created, by nature to accept righteousness."

Then you have Father Pfleger, who the new-school Mulsims love. In the face of the Messenger clearly saying they are not made to accept righteousness.

But since this devil has Black people in his church, Muslim will go speak at his church and tell Black people they are in the right spot. "You're doing the right thing following Pfleger", knowing The Messenger just said, "Get out of the Church and go to the Mosque. He said, "The escape you have is following Allah, through His Messenger."

I have had several Black women ask me, "Are you a nun?" I always look them straight in the eye, give them a big smile and let them know (with my signature reply, that I won't mention here) that I am a Muslim.

This makes them laugh and opens up a great dialogue between us on the subject of what it is like being a Muslim Woman in the Nation of Islam, under the Teachings and Programs of Messenger Elijah Muhammad.

Next they want to know what the difference is between The Woman in Islam (Muslim women) and nuns.

Muslim women on the other hand enjoy the full rich life of marriage and motherhood.

Righteous or modest attire sets the tone for that same kind of behavior. It tones down the tendency for indecency. It even causes other people to expect better from us.

Our covering, in public helps us to walk and act in a dignified manner.

Holy Quran (7:27) O children of Adam, let not the arch deceiver seduce you, as he expelled your parents from the garden, pulling off from them their clothing that he might show them their shame. He surely sees you, he as well as his hosts, from whence you see them not. Surely We have made the devils to be friends of those who believe not.

This happened to the Black People who followed Yakub from Arabia. He pulled off, from their Original Self, the clothes of Righteousness and the clothes to cover their shame; and then made them to go nude in the hills and cave-sides of Europe, until the birth of Moses.

You are warned. You believe you are safe in following the invitation to evil and filth of the white race. Wait and See.

TEACHINGS FROM THE HOLY QURAN

18:50 And when We said to the angels; Make submission to Adam, they submitted except Iblis. He was of the jinn, so he transgressed the commandment of his Lord. Will you then take him and his offspring for friends rather than Me, and they are your enemies? Evil is the exchange for the unjust.

18:51 I made them not to witness the creation of the heavens and the earth, nor their own creation. Nor could I take those who mislead for aiders.

Prayer a benefit to the soul

NEW JERSEY--In the name of Allah, the Beneficent, the Merciful. I thank Allah, in the person of Master Fard Muhammad for raising His last and greatest Messenger the Hon. Elijah Muhammad, peace and blessings of Allah forever be upon him.

As Salaam Alaikum!

"To every nation We appointed acts of devotion, which they observe, so let them not dispute with thee in the matter and call to thy Lord. Surely thou art on a right guidance." **Holy Quran Ch.22:67**

"Recite that which has been revealed to thee of the Book and keep up prayer. Surely prayer keeps one away from indecency and evil; and certainly, the remembrance of Allah is the greatest force. And Allah knows what you do." **Holy Quran Ch.29:45**

"And keep up prayer at the two ends of the day and in the first hours of the night. Surely good deeds take away evil deeds. This is a reminder for the mindful." **Holy Quran Ch.11:114**

In a world that's sinking in sin, prayer provides a psychological, social and spiritual benefit in coping with hard times.

Most of us are involved in some worldly activity that consumes much of our time; whether earning a living (work), going to school, socializing, eating, sleeping etc., and confess all shortcomings, we now seek forgiveness from Allah, and ask Him to guide us to the best of morals, for none guides to the best of morals but Allah.

Recent studies have shown health benefits from praying. According to Dr. Herbert Benson, a cardiovascular specialist at Harvard medical school and one of the pioneers in the field of mind-body medicine, discovered what he calls: "The relaxation response," which occurs during periods of prayer.

Dr. Benson explained, "During prayer the body's metabolism decreases, the heart rate slows, blood pressure goes down and our breath becomes calmer and more regular."

This physiological state is better than any medicine on the market, because it slows down the brain waves and a feeling of self-control, peace of mind and security is experienced.

James Allen, the author of the book: As a man think, states: "Calmness of mind is one of the beautiful jewels of wisdom. It is the result of long and patient effort in self-control."

Prayers' performed five times a day will produce self-discipline and control to destroy the devil (evil tendencies) within; which

Brother Mutakabbir Ali

in turn destroys the devil (evil temptations) without.

Surely Prayer is a benefit to your soul. It relieves stress; allowing you to focus. It also enhances the relationships of the believers, family and friends.

By praying for someone, it increases forgiveness, and a way to build trust.

It has been noted that praying for and with your spouse wards off infidelity. Remember, "the family that prays together stays together', Making prayer a healing and mercy to the soul.

TAMPA--In the name of Allah most gracious most merciful, Who came in the person of Master Fard Muhammad. I thank him for raising up His Last and Greatest Messenger, The Most Honorable Elijah Muhammad.

As-Salaam-Alaikum!

Ever since his birth (on the island of Patmos, off the coast of Greece) the Caucasian, or the devil (as he is called by Allah & the righteous) has been a liar, a deceiver, a global murderer & a disease carrier. He is also known as the Skunk of the planet earth.

Everywhere he has gone, he has spread his filth. And he has been on the planet for over six thousand, six hundred & an extension of sixty years.

Every place he "discovered", the aboriginal or darker people were there before him, so he robbed them of their land with lies, deception & murder. This is no fallacy, This is documented (his story).

For many years, many of us read The Bible & Al Quran but didn't understand, but Messenger Elijah Muhammad taught us the understanding of the Bible and Holy Qur'an.

Adam means first (Righteous) man. The Black man is the Original (First/Righteous) man that is mentioned in the above "Teachings of the Holy Quran". But the "Adam" mentioned in the Genesis of The Bible refers to Yacub's First, MADE white man.

The name "Iblis" represents THE DEVIL or THE WHITE MAN (also known as "jinn').

And as we can see from The Teachings of the Holy Qur'an that he was born (Made) evil. He was made NOT to bear witness to the truth. He is enemy of the righteous, and the righteous is warned not to take them nor their offspring for friends.

ALLAH CURSED THEM! He cannot ever live in peace with himself. This is why there is so much chaos in the world today.

Most of us are involved in some worldly activity that consumes much of our time; whether earning a living (work), going to school, socializing, eating, sleeping etc., These activities demand our attention to the point, sometimes, prayer is missed.

The Honorable Elijah Muhammad instructed us to pray to Allah, in the person of Master Fard Muhammad, to whom praises are due forever, five times a day and if we awaken at night, after midnight, we are to pray to Allah.

This obligation allows the believer to stay in tune with Allah.

When a person doesn't pray and won't perform his or her service to Allah, that person is in danger of disbelief, lack of faith, etc.

The world is full of evil temptations. The god of evil has legalized everything that the God of righteousness, whose proper name is Allah, opposes.

Through tricks and lies this world has been perverted by the enemy of God and man.

Prayer is a mercy because it allows a believer to focus and re-connect his or her faith in Allah, thus realizing that one has been unjust blood pressure goes down and our breath becomes calmer and more regular."

VIRGINIA--If you don't know where you are going, how will you ever know if you get there? Black Man, where are you going?

Martin Luther King, towards the end of his life, wrote a book entitled" Where Do We Go From Here"? I did not read it.

I am a Muslim. I know where I am going!

In Bold Black Print, on the February-March, 2019 issue of Muhammad Speaks, it reads Do We Have Qualified Men & Women For Self Government?

Absolutely not: The PHD to the upright Man (Muslim) means Permanent Head Damage. Read Muhammad Speaks!

Messenger Elijah Muhammad taught us where we are going, how to get there, and what to expect at the end of our journey. Think about it?

Questions imply doubt. If MLK had questions at his end, what was he like at his beginning?

We as Followers of the Messenger (The Honorable Elijah Muhammad) have 360 degrees of knowledge, meaning, we can make a circle and start at the beginning and recycle our history to this point and start it all over again.

This is what Stephen in the (KJV) of the Bible (Acts 7) was doing, so they stoned him.

Which One Will Survive The War of Armageddon

By

Minister Michael Shabazz

GARY--In the Name of Allah Who Came In the Person of Master Fard Muhammad and In the Name of His Last and Greatest Messenger, The Most Honorable Elijah Muhammad, I Greet You In Our Nations Greetings of Peace, Paradise and Contentment, "As Salaam Alaikum"

The title of this article is taken from the book,"Message to the Blackman in America" by Elijah Muhammad. On page 210 of this book it states, "We, the Muslims, were and are still being persecuted in Monroe, Louisiana, and throughout North America for what we teach of these two flags (Islamic and American) and especially because of the following words that you will find on a blackboard in most of our regular meetings:"Which flag will survive the War of Armageddon?" (Armageddon is the final war of Judgement and separation of the righteous from the wicked, of which I am sent to teach.) This is the question that is asked the mentally dead of my of people in America, the so-called Negroes. This question is to show the answerer that he fully agrees that the Sun, Moon and Stars will survive the Cross, or the flag of America known as the Stars and Stripes. Everyone who is asked this question answers that the Crescent will survive America's flag and emblem of Christianity, which is the Cross. A fool knows that the sun, moon and stars will survive any nation. We know Allah and the Nation of Islam will win the War of Armageddon, which is Nations Arming themselves for the Final War between Allah (God) and the devil. According to Bible teachings, the War of Armageddon will begin from the vicinity of the Euphrates River (Rev 9:13-16). The Euphrates River starts in Turkey and passes through Syria and Iraq. The Battle of Armageddon is stated will take place in the Valley of Megiddo which is about 79.5 miles from Jerusalem in Palestine(Israel). The complete Middle East region including the Persian Gulf will be involved in this Final War. This area is between Europe and Asia. Now on pages 267 and 268 of Message To The Blackman it states, "The Day of Decision between the dark races or nations was begun by God Himself in the Person of Master Fard Muhammad, to Whom be praised forever as is prophesied in the Bible, Multitudes in the Valley of Decision, for the day[before or by 1970] of the Lord is near in the Valley of decision" (Joel 3:14). It goes on further to state, " It is clear that the armies of the nations of the earth have geared themselves for a showdown between their forces and Allah and the Nation of Islam. We the so-called American Negroes, the lost and found members of our Nation, are in this decision. The second and third verses of this same chapter (Chapter 3) read like this : " I will also gather all nations and will bring them down into the valley of Jehoshaphat [Europe and Asia - between black and white] and will plead with them there for my people and for my heritage [the lost and found so-called negroes]. The slave masters of our fathers must reap what they have sown. Allah calls them to war in the ninth verse of the same chapter". "Proclaim you among the Gentiles, prepare war, wake up the mighty men, let all the men of war draw near, let them come up."(Joel 3:9)It further states on page 268, "All the mighty men of science and modern warfare have been called in a effort to devise instruments and weapons against God and the armies of heaven. The nations of the earth are angry."

Now, one must ask where is Jehoshaphat at, where are the Gentiles who are called to wake up and prepare for war with Allah(God). The word Jehoshaphat in Hebrew means "God has judged" and it is located in the narrow strip of land located between Temple Mount/Al Haram Ash Sharif and the Mount of Olives in Jerusalem. Al -Harem Ash-Sharif which contains Al-Aqsa Mosque which is one of the three holiest mosque in the religion of Islam. As stated earlier, we know Allah(God) and the Nation of Islam will win the War of Armageddon. Blackman and women in America will you survive "The War of Armageddon". Do you have the wherewithal, the stamina, the staying power, the energy, the zeal, the faith, the belief in Islam as taught by the Most Honorable Elijah Muhammad. These are the only things that will allow you to survive, " The War of Armageddon".

SAN FRANCISCO--Eating the flesh of the swine --especially if it is undercooked--has been found to be the cause of a serious eye disease which often occurs during middle age, but is equally often caused by eating the poison flesh as a child.

CONSIDERED ONE of the most common diseases in world, toxoplasmosis passes unnoticed in the great majority of persons who acquire it.

Dr. Michael J Hogan, chairman of the department of ophthalmology at University of California San Francisco Medical Center, said a certain Percentage of persons may develop eye symptoms of blurred vision and inflammation as long as 40 years after first acquiring it.

Toxoplasmosis is due to a protozoan parasite which affects many animals, especially pigs, and which can be acquired by man by eating the flesh which has been insufficiently cooked. Dr. Hogan made no mention as to how much cooking he considers sufficient. Some scientists believe it is never safe to eat.

THE HONORABLE Elijah Muhammad, for some four decades, has been warning Black people that the swine is poison and he has forbidden his followers to eat the flesh of the filthy animal.

Dr. Hogan estimated that 40 percent of the population of California has had toxoplasmosis by the age 40.

The eyes are affected in only about one percent of this total, however. the vast majority never know they had any kind of an infection. Others develop symptoms in the kidneys, spleen, liver or other internal organs.

MOST PEOPLE acquire the infection by eating swine, especially raw or undercooked

After Mr. Obama's eight-year run, where nothing was accomplished, other than much "warm and fuzzy" emotionalism from our people.

We have been led like sheep being prepared for slaughter. Now, the American system of politics turned to one Donald J. Trump to become the Commander in Chief! Think about that for a second.

He has you ready for the slaughter. This is why you are not fighting back, only crying, complaining and marching. Crying, complaining and marching are not going to change him, in the face of so much brutality from the wicked police departments in this country.

Ninety-nine percent of us don't know what kind of Devil that we are dealing with.

Mr. Elijah Muhammad, Last Messenger of Allah, taught Black people, for well over 40 years, night and day, the truth about the white man, but you ignored him while demanding that the white man integrate with you.

RICHMOND--In the Name of Allah, who came in the Person of Master Fard Muhammad, to whom all Holy praise is forever due, and in the Name of His Last Messenger, the Great Elijah Muhammad,

As Salaam Alaikum,

If you support the war in the Middle East, you are taking up for a lie!

The "911" debacle was a set-up to get the American people to get on the side to fight against Islam. The Bush (son) regime declared war on the Muslim countries, after he claimed that there were "Weapons of Mass Destruction" and the war was waged to find said weapons. He wanted to make you forget how he stole the election from Al Gore, and it worked, you forgot all about it, until you were just reminded, am I right?

Now, it's been almost twenty years since September 11, 2001, and there has not been one weapon of the sort found. Yet, the still asleep, silly, blind, deaf and dumb so-called African Americans blindly love this wicked country and fail to pay attention to what is actually taking place.

Most of us have forgotten the furor and the madness of "911", because you are too busy riding on the white man's Ferris wheel, enjoying yourselves in idle sport and play, and trying to mix in the white man's many societies, which keeps you a more subject slave than our ancestors endured during physical captivity.

After Mr. Bush, they slipped a black man in the highest office in America to put you further turned to one Donald J. Trump to become the Commander in Chief! Think about that for a second.

He has you ready for the slaughter. This is why you are not fighting back, only crying, complaining and marching. Crying, complaining and marching are not going to change him, in the face of so much brutality from the wicked police departments in this country.

Donald Trump winning the election, is a great event in America, because we are, now, being forced to accept and respect the Truth about ourselves and white people, or suffer great shame and disgrace.

The war between the black and white worlds is here!

Donald Trump, is a business man, who appealed to the white American citizens, who are tired of us and our children.

This white man's evil has attacked our common sense and has been ongoing. By nature, the white man is a murderer and liar. A young white boy went into a Church a few years ago and murdered NINE blacks and some of you said that you forgave him.

While some of you went to South Carolina to protest the killing, the white man gave you a pacifier by removing the Confederate Flag. Instead of you focusing on the killings in South Carolina, he shifted your attention to a dead flag.

In the meantime, he hoisted the homosexual flag right under your nose. By the way, this was done during the Obama administration. What did God tell you about such wickedness as homosexuality?

Mr. Obama is going down in history as the King of Sodom and Gomorrah, yet you were able to while demanding that the white man integrate with you.

OK, now you got it. Your unwillingness to get behind the Teachings and Programs of The Nation of Islam, has now rendered you an easy prey.

Donald Trump's presidency is the best thing that has occurred here in America in a long time, for Mr. Trump is no political man and he is out to put a stop to America's body of politics. In doing so, he will bring America to her ruin.

While you may see him as a madman or one of an inferior political mind, this is exactly the type of commander that is necessary for Babylon to fall. Make no mistake about it, BABYLON MUST FALL!

In your bible it teaches you and I that she must fall and we are called to come out of her (Revelation 18:4). Well, poor black brothers and black sisters, how can you claim to believe in the True and Living God, and yet wish that America averts her fall.

He is not going to change. It's you who must CHANGE YOURSELF. You, BLACK MAN, must get this cowardly thing out of you, even if it means your death! But if we obey the Laws of Allah (God), very little bloodshed will have to be spilled.

The Law of Allah is that we must separate from the white man by acquiring some land that we can call our own. We need to get the right knowledge in our heads, the Knowledge of Self, which will touch us in such a way that we will vehemently yearn for our own Place In The Sun!

All Praise is due to Allah, who came in the Person of Master Fard Muhammad, for His Messenger, Elijah Muhammad!

Words of Messenger Elijah Muhammad
THE FALL OF AMERICA

HOW TO EAT TO LIVE

'They are experimenting on your life'

By Elijah Muhammad, Messenger of Allah

Reprinted from the February 24, 1967 Edition of Muhammad Speaks

There is no way we can ever enjoy good health unless we obey the Teacher of health, Who advises us the proper way to eat. No people have ever been so fortunate as the Lost and Found members of the Black Nation (so-called Negroes), to receive guidance of life from God, Himself, present among them -- the God who will bring about a total change of civilizations of this world; Who has the histories of how people practiced a way of life for themselves back into the hundred of thousands, millions and billions of years. Should not He know the best way to eat to live?

THE DEVIL IS A race of people used for experimental purposes, that the people of the God of truth, justice and righteousness did not intend to follow, but have followed their way of life for a short time.

Remember our success is obedience to the Will of the God of truth, justice and righteousness, as we have been obedient to the devil in following and practicing other than truth, justice and righteousness. What we eat, I will repeat, keeps us here and takes us away. This is God's teaching to me, and it is so logical that there are no questions.

THIS RACE OF PEOPLE, experiments on everything other than good. This includes what they grow and prepare for us to eat. There is little pure food on the market today. And, there will not be any pure food on the market tomorrow, if they prepare it for you, because they are experimenting on your life to see what can take you away and what they can keep you here with for a certain length of time. Our lives are limited by what we eat that this race of people (meaning white devils) prepares for us.

The earth brings forth good food the natural way, but the food is poisoned by other ways. The fertilization process they use and the preservatives are all poison. They know in their limited time of six thousand years to rule that they are experimenting on themselves and us, too. Even the very earth is poisoned where they are experimenting on growing food for their markets, because it is the almighty dollar they seek and not the almighty health and long life for you and me.

They're all over the news and it's far too early to tell if they're here to stay or just a flash in the (frying) pan. They are those, hi-tech, not-meat, faux food meat substitutes gaining traction with a segment of the population that swoons over them. These new versions of the historic "veggie burger" are championed by fast food outlets. And remember my admonition: "fast food" is usually neither.

The two most prominent players in the patty field are the Impossible Foods "Impossible Burger" and the Beyond Meat "Beyond Burger."

Arguably the most prominent headline grabber is the Impossible Burger available at Burger King outlets so we'll take a look at that and consider if it meets certain criteria that qualify it as food. You can decide for yourself.

I was pretty amazed to see two friends on social media going ga-ga over the Impossible Burger. These are two folks I consider intelligent and in fact, iconic in their fields. But in my opinion, their judgment must have been suspended.

Anyone who's studied film — or literature of any sort, for that matter — is familiar with Samuel Taylor Coleridge and his description of the "willing suspension of disbelief." Everyone takes advantage of it many times a day. It's that mental gymnastic required to even watch a movie. To wit: Even though we know that the movie monster in the basement isn't real, we suspend our disbelief and go with the deception in order to entertain ourselves. I suspect that is exactly what happens when otherwise intelligent people go to a fast food place to indulge in a techno-burger. We allow ourselves to be talked into believing that what we are eating is food.

"Raised" in Silicon Valley Though it's Western in location and a "valley," Silicon Valley isn't known for herds of cattle, grazing land or ranches. No. It's known for venture capitalists, techno startups and multibillionaires; science labs and human hubris of thinking we can do better than nature in areas we shouldn't try. So one day in 2011, a techno Stanford guy started a company to make a meatless analog to meat.

By 2016, after lots of lab work, genetically engineering fake blood and working out a deal with Burger King, the company launched lunch with the Impossible Burger.

"Ingredients? We don't need no stinking ingredients!" I think I'll just leave the argument to the reader by listing some ingredients of the Impossible Burger from the website. Read them slowly out loud so you get the complete impact of the compounds.

Water, Soy Protein Concentrate, Coconut Oil, Sunflower Oil, Natural Flavors, Potato Protein, Methylcellulose, Yeast Extract, Cultured Dextrose, Food Starch Modified, Soy Leghemoglobin, Salt, Soy Protein Isolate, Mixed Tocopherols, Zinc Gluconate, Thiamine Hydrochloride, Sodium Ascorbate, Niacin, Pyridoxine Hydrochloride, Riboflavin, Vitamin B12.

Compare that list to the ingredient in the hamburger from my grass farmer in Pawnee County, Nebraska: Beef.

So, here's what I see in that first list: A bunch of things that do not really grow naturally in the world humans have adapted to. The Impossible Burger, to me, appears to be a concoction, not a food.

One may argue that those chemicals exist in nature. But nature did not put them together into an Impossible Burger. With beef, nature played a role. I believe in living in harmony with nature, not in domination of it.

Some of that stuff in the analog never existed in its form until the lab made it less than a decade ago. And some of it may not even be healthy. One main ingredient is soy

Soy, the way Americans eat it, may be bad for us. Just google it. < is soy bad for you > Or, god forbid, use your own common sense: When was the last time you went to the store to pick up some yummy soy beans? Yeah, didn't think so.

The two main crops of the United States are corn and soybeans. Both industrial corn (99 percent of that grown) and soy are not so much foods but raw materials.

Most of the corn we grow is for ethanol and livestock feed. We can't eat it until it is highly processed into junk food and corn syrup. Soy is basically the same... After all this, are you ready to suspend your disbelief? Be well.

Banana Disease

For years, scientists have said big banana companies would eventually need to find new banana varieties because of destructive fungus infecting the most popular variety of the fruit (the Cavendish).

The disease has now made its long-dreaded arrival in Latin America, the biggest exporter of the crop, but banana industry watchers say there's still plenty of time to find alternatives.

PHILLY--In the most holy Name of Allah, Who appeared in The Person of Master Fard Muhammad. And in the name of His Last and greatest Messenger, The Most Honorable Elijah Muhammad (The Lamb).

I greet all with the greeting of peace, As Salaam Alaikum.

Truth, which is the Divine Teachings of Messenger Muhammad, that came from Allah (God) in person is rare, even in some places where they call themselves "The Nation of Islam"

The Holy Quran Chapter 55, verse 27 refers to "the person of our Lord".

I believe, as all followers of Messenger Elijah Muhammad, that The Messenger met face to face with Allah (God) IN PERSON.

I thank Muhammad Speaks Newspaper for rising to the Challenge of keeping the Lamb's teaching out front for we the believers.

Now let's get at it! Stop listening to lying Ministers!

If The Minister is not Teaching what Allah gave our Leader and Teacher, Who is NONE OTHER THAN Messenger Elijah Muhammad, just get up and walk out.

You and I both know, Messenger Did Not Want us to change our religion (WAY OF LIFE) for any money comes a commitment to do and say what the devil says to do and say, which explains why so many lies are being taught by those claiming to be a representative of The Messenger.

We must remember that the Messenger warned us to prepare for the devil and his imps to make it all but impossible to teach the truth.

In Message to the Blackman, Messenger Muhammad makes it clear, in his "Reply to Critics" (J.B. Stoner) that the devil has fooled the Orthodox Muslims of the East to believe they could be reformed.

The Messenger also stated he is not fooled by such thinking so he didn't want Orthodox Islam for us. Period!

verse 27 refers to "the person of our Lord".

I believe, as all followers of Messenger Elijah Muhammad, that The Messenger met face to face with Allah (God) IN PERSON.

I thank Muhammad Speaks Newspaper for rising to the Challenge of keeping the Lamb's teaching out front for we the believers.

Now let's get at it! Stop listening to lying Ministers!

If The Minister is not Teaching what Allah gave our Leader and Teacher, Who is NONE OTHER THAN Messenger Elijah Muhammad, just get up and walk out.

You and I both know, Messenger Did Not Want us to change our religion (WAY OF LIFE) for any other religion. And Messenger Elijah Muhammad didn't build The Nation of Islam with grants from the American government, and His True Followers don't either.

The Messenger relied on Allah, Who came in the Person of Master Fard Muhammad to open the hearts of Black people to "DO FOR SELF" and build our own Nation.

Using the grant money from the devil has made so-called Muslims who call themselves the "NOI" seem larger the eyes of our lost found brother's and sisters. The True followers of Messenger Elijah Muhammad's Teachings, however, are not impressed. We only want what our leader and teacher wants.

This "dirty money" allows them to purchase "big churches" like the Christian Preachers. Who also "made a deal with the devil".

So what's the deal? With the money comes a commitment to do and say what the devil says to do and say, which explains why so many lies are being taught by those claiming to be a representative of The Messenger.

We must remember that the Messenger warned us to prepare for the devil and his imps to make it all but impossible to teach the truth.

In Message to the Blackman, Messenger Muhammad makes it clear, in his "Reply to Critics" (J.B. Stoner) that the devil has fooled the Orthodox Muslims of the East to believe they could be reformed.

The Messenger also stated he is not fooled by such thinking so he didn't want Orthodox Islam for us. Period!

In fact he said any religion but Islam, as taught by him, wouldn't be successful in the last day.

The false teaching that Messenger Elijah Muhammad is still alive has caused a great division in the Nation of Islam.

But, now that time has proven that Messenger Elijah Muhammad passed away in 1975, how many will swallow their pride and admit it?

Messenger Elijah Muhammad has not been seen since 1975, so why are many so-called followers of Messenger Elijah Muhammad still claiming he is alive?

There comes a time in all of our lives when we all must admit the truth. And the truth is, absolutely NO ONE has seen or heard from the Lamb since 1975.

The false teaching of The Messenger still being physically alive was started in order to promote the idea that the Most

Can't Deny He is The Devil

Continued from Center Page

...It is Armageddon because the Nation is well armed and they continue to arm themselves and they are getting together for a showdown between the Nations. To see who shall exist.

There is total dissatisfaction that is existing among them now. There is no such thing as agreement between nations and nations. They all are dissatisfied with each other. Therefore, something must be done. And when the heads of the nations, are all disagreeing with each other, it means War!

And today, you have the evidence, right in your eyes and in your ears, that the nations are moving forward all together for a complete slaughter of each other. They can't help it.

There is no statesman or scientist among the particular people, namely the Western Nations or races, to bring about a peace between them because this nation that tries to set up some kind of peace or bring the plan before the nations for peace, is as equally as guilty as the other as being the destroyer of peace. Therefore, the destroyer of peace cannot set up peace for the nations.

You have to have a peaceful judge. You have to have a peaceful king. A king or judge that actually is neutral, when it comes to war and destruction. He's for peace! And then that one can dictate some kind of peace terms for the nations.

Today, we have arrived at the

We only know a mechanic by his work. We only know a brick layer by his work. A carpenter by his work. Scientists by their own knowledge of hidden things. When they produce these things, we realize the fact, then, that you must be a scientist. Create something out of your mind. Create that, for me, that I have in mind that I need that is a necessity for my well-being. Go and make it for me. Then we say, you're a scientist. Right?

And it's what we need in America today, among 20 million of our people, or more. We need Scientists! We need Engineers! Technicians of all sorts of our kind.

...If you are a student in the colleges and universities, of the land, you should study that course that will prepare you to build a Nation for yourself.

You, scholars, should get away from that slave idea of trying to give your wisdom, your learning to the white man who has taught you.

It is the white people who has educated you and now, with your education, that is valuable to creating a nation, or putting them on the foot or level of self-independence. This is what you should be studying. How to liberate your people from the enslavement of the white race. Study to build a government. And secure some of this earth for millions of your own people that are in bread lines, begging the same slavemaster whom their fathers fell victim to 400 years ago. You are still, now, begging the snakes little snakes that he produced. And having lots of trouble. But when you get this education of the devil, sometimes it makes us more like him. We lose the love for our own kind and begin loving him. And we have no more nature of submission. We have a proud nature. We want the world to see us as being so great, because we have our degree from such-and-such college or university.

We will be recognized as great men if we do something great for our own people. But we don't look big in the eyes of the international or the nation's scientists around the earth by trying to beg and worship an open enemy of our people. What would you look like, this afternoon, coming out here to Temple or Mosque No. 2, Illinois to hear me praise the white man, and I'm supposed to be a Messenger of God? What do I look like, coming out here praising a people, worshipping them, who have enslaved my fathers and have me in the status of a free slave and doing everything they can, day and night, to deprive me of equal justice under their own law of justice.

You think that I should worship THEM? You think that I should speak sympathetic toward THEM? Is that what you are angry with me about? Is that what you don't like me for, because I don't show love for THEM? I hope you don't shoot me for it, but I think you are a fool for worshipping them yourself!

We must remember that, according to the ever-incoming news, that something has happened, here and there, among the Nations we should be stirred up. We should stir up ourselves for self. Because if America is taken by her enemies, what shall you and I do?

If America don't see a future for herself, should not you and I seek a future for us? Should not we seek, not only a future for self, but get together and unite and seek a future for our Nation?

You are people that is like a rabbit under a great hawk, that has not a possible chance, as long as you look for the hawk shadow you.

We must remember that we were not brought here to be made equal with white people. We must remember that the only desire that the white man had for our fathers, 400 years ago, when they landed them here in the Western Hemisphere, was to do labor. Work them and make them to "open up our country and do the work we that wouldn't like to do". That's all they had in mind!

Then you, young fellow, come up here 25, 30, 40 or 50 years ago, talking about, they did you a favor and saying, "I have as much right, here in America, as any man." You are talking foolish and people should take you over to the insane asylum. You don't have as much right as the white man has in America, until you go and crush his authority. If you can crush his authority, then you'll have as much right as he. All praise is due to Allah!

We are in a very serious hour. And you are aware of it. And the white man is not going to tell you that you are in such condition because of his wicked desire to make you suffer the consequence of his own race of people.

You are not guilty of breaking

Today, we have arrived at the time of the All Wise God's Day and Time, Himself. And, being in His Day and Time, He desires to not spare one nation that makes trouble.

He desires to draw them together and make them slaughter each other to such extent that the few that be left, they will not be able to make trouble for the righteous or the peace-loving people and the peace-loving people can get rid of that little remnant that is left.

I want to give it to you frank, so that you will know...This you should know...

There is so much misunderstanding and people's minds are so clouded with misunderstanding that is very hard to bring actual Truth to the people today. And especially The Truth of the Time.

United States of America is at War with World

The white news media has slowly begun to admit, publicly, that the so-called "Third World War" has already begun.

America, under the leadership of President Donald Trump, is at War with rest of the World. Not to mention the Civil War that America has been waging against her ex-slaves for 500 years.

The "mainstream" news media, reports all of the wars separately and makes light of the fact that they are wars.

They call the "attack" by Russia as the beginning of a "CYBER WAR". The war with China is called, a "TRADE WAR". They have dubbed the wars with Mexico and the Middle east, a "WAR ON IMMIGRATION". But the worst war being fought is on the Original (Black) Nation within the boarders of the United States. It has been called by many names: "The War on Drugs", "War on Crime" and a "Race War".

The real name for all these wars combined is THE WAR OF ARMAGEDDON, which is the war between good and evil, The war between truth and falsehood, and the war between right and wrong.. Messenger Elijah Muhammad warned Black people since 1931 that white people, especially those in North America, have been planning for this War for hundreds of years. And have been using all kinds of warfare against us.

The most effective war tactic against the Black Nation has been, what white people call, "Information warfare". This is "the manipulation of information trusted by a target with the target's awareness so that the target will make decisions against their interest but in the interest of the one conducting information warfare."

The first stage of information warfare against Black people in America, was to separate parents from children who were brought here on slave ships, so that information would not be passed from parent to child. According to experts, "misinformation is a constantly evolving phenomenon".

Next was to prohibit any reading other than the so-called "Slave Bible", which the left out parts (such as Moses leading the slaves to freedom) but kept excerpts that reinforced their enslaved status (such as the portrayal of Joseph as someone who "accepts his lot in life, keeps his faith in God and in the end is rewarded for it") The first Slave Bible was published in 1807.

For years, the United States military used electronic warfare, in the form of radio and television, to manipulate our thinking. But the world wide "Spiders" web known as The Internet is found to be the MOST effective form information warfare (cyber warfare) yet.

swine, as children. A large number of persons acquire it from their mothers before birth.

No matter how it is acquired Dr. Hogan said in a interview at the Estelle Doheny Eye Foundation, the eye symptons may not appear for many years. When they do, they are caused by tiny areas of destruction on the retina due to the infection.

If the flareups occur often enough they eventually can destroy enough of the retina to cause blindness, the eye specialist said. He was one of the speakers at a postgraduate conference that took place at the Dohney foundation.

Dr. Hogan said treatment is not satisfactory unless the infection is dianosed early.

IT IS NOW being discovered that a wide variety of "germs" previously thought to be harmless can cause eye dieseases and blindness. Many of these "germs" are carried by swine and other animals.

the peace and bringing about dissatisfaction between the Nations. You are not guilty, before God, of the crimes of the white man. You had nothing to do with it. You did not lynch your people. You didn't burn them at the stake. You did not deprive them of Justice. It is the white man. Why don't you get out of the way and let the Just God execute Justice on him?

You say, "I don't see no need of me going no place, Mr. Muhammad. We are doing pretty well here. We're getting better treatment than we've ever have gotten."

Whenever you want to kill a chicken, you will give that chicken the best treatment, won't you?

We want to bring you to an acknowledgement of facts, as they exist. I have preached to you here in Chicago for 30 long years. I started this Temple, here, 30 years ago, in 1932. Thirty years ago, in the summer. And I have been steady throwing out facts to you that today you can not deny that I have not delivered to you the truth.

Regardless to what people said 20 years ago about it, or 25 or 30 years ago about it, you see, today, that the very truth that I preach to you, that has been revealed to me by Almighty God, Allah, is now made manifest!

And if a man says, a car will pass here, now, in the next few days carrying a tag on it from China and it will have and it will have purposes and now your time of separation and removal has come, from the execution of his unjust rule and power.

War is brewing everywhere. It is now getting to your doors. Guns are now being set around the shores of North America. The most deadliest of weapons are being placed in positions to attack her and take her at once.

They won't tell you these things but, Believe me!

Almighty God has revealed the truth. These things are now going on in a greater and a more faster speed than you think. It is long past due.

I was told by a few scientists, not so long ago, "Hurry and get them ready! Tell them to get out of the way!" He said, "We are ready now."

Think over a people of wisdom, people of might, telling you something like that. It's enough to make you tremble. And make you to weep to look upon hundreds of thousands of your people who have not the slightest idea that they are now facing doom.

Twenty million of our people, here today, faces death, if they are not shown the right way out of it. They will be slaughtered like rats.

You can't escape such weapons they have prepared to destroy the white people with. You can't escape. So we are asking you to get out of they way. You can pray later, but get out of the way now!

There is not, hardly, one 24-hour possibly can.

Why do you want to be barren? Why does he want to teach you such, when here in America they have food enough to feed other nations? They have enough clothes to clothe Europe. Why do you want, now, to allow them to make you barren? There is plenty for your children!

It is a sin, according to The Holy Qur'an and the Law of Islam for any woman to resort to Birth Control. It's a sin. And the Bible, if you read it carefully, that Jehovah order execution against such.

I say, my friend, you are under a Devil. And they don't love you and you don't have to ask me to prove that!

They don't want you to leave them. The call to Islam coming to you is like a rattlesnake spitting his poison in their face. They don't want you to go over to Islam. Islam will save you! Islam will get you recognition! The God of Islam will give to you a Heaven here, while you live, and not that lying heaven that he teaches you that will come after you are physically dead. All praises is due to Allah!

If you heard, last week, that Muhammad said that the Caucasian white people was a race of devils, let them come and prove that they are not! If you heard him say it 10 years ago or 20 or 30 years ago, they have never been able to disprove it. It came from the mouth of God, Whose Proper name is Allah, The Great Looked For Messiah! The Great Coming of the Mahdi! THE GOD IN PERSON! It came from Him! Right from His Mouth! To Whom Praises are due forever!

I want you to recognize, in fact, I would like that you act upon the principles of fact. Reason with me. If I'm telling the truth, reason with me! If I'm lying, prove me as a liar.

We want to let our people know just what is taking place and what will take place to protect their own lives. And we tell you this before our enemies and your enemies. We don't hide. As you have seen me, time and again, for the last 34 years in the public speaking to a thousand and to ten thousand or more, and whites was mixed among them, and you didn't never hear one white man get up, in that many thousand, and try to dispute anything that I said.

You have seen me before the press. You have heard me talking to the press, THE WHITE PRESS, and you have, as yet, to find one to be able to condemn one word that I am teaching. Not one word! You have seen them close their mouths and their tongues were as silent as it was before they were born. They can't talk back! They can't condemn! They are afraid!

But if it didn't come to pass, he must did not know what he was talking about. If what I teach you, it is made manifest to you, regardless to the time that has taken to be made manifest, it comes to pass.

Now, today, I'm telling you, that it is separation that we want. And I'm telling you why. I'm telling you, again, that we are a Nation in a Nation and we can, no more, depend on this Nation to continue to make jobs for us, or to give us shelter, or to give us food and plenty money to spend, any more than that child that the mother has been carrying for the last 9 months. That child just can't remain there. Right? Because it's growing to be something like it's mother. It must have a chance to get out here in the open to go for itself.

So it is with you. You have been here for 400 years and the white man has nursed you up for slave not so long ago, "Hurry and get them ready! Tell them to get out of the way!" He said, "We are ready now."

Think over a people of wisdom, people of might, telling you something like that. It's enough to make you tremble. And make you to weep to look upon hundreds of thousands of your people who have not the slightest idea that they are now facing doom.

There is not, hardly, one 24-hour day that passes, when I don't shed tears for you. Not one day, hardly, when I get to myself, and just think over how dumb the devil has made our people. That they are now victims and they are prey held by him for a great universal slaughter.

Your Bible teaches you in the Revelation. "Why will you die? Come out of her, my people!"

Why should you die with her? You have not committed no crime. Why should you stand here and die with such evil people who have mistreated your parents and your self? Why do you want to show that kind of love for a murderer of your own, who still, today, murdering you every way that he possibly can?

Even today, they want to do the same by you as Pharaoh ordered the nurses to do for the Hebrew. Sterilize them! Stop them from giving birth to Black people. He don't want Black people to live. He knows they will live, but he wants to destroy as many as he prove that!

They don't want you to leave them. The call to Islam coming to you is like a rattlesnake spitting his poison in their face. They Great Looked For Messiah! The Great Coming of the Mahdi! THE GOD IN PERSON! It came from Him! Right from His Mouth! To Whom Praises are due forever!

The world is now bracing itself for Donald Trump, who has deemed himself, "The Chosen One", to usher in World War III.

Majority of White Americans for Abortion

In 1973 the US Supreme Court made it legal, to kill unborn babies.

While some Orthodox rabbis denounce abortion within Jewish communities, the National Jewish council helped establish some of the first birth control clinics across the country. And studies from the Pew Research Center show that 83% of Jews support abortion.

Earlier this year, the head of the white Christian (Catholic) faith, The Pope argued against abortion saying it amounted to "inhuman eugenics" that "human life is sacred" and that abortion was like hiring a "hitman".

Kaiser Family Foundation survey found that an overwhelming majority of those polled supported abortion. About 50% of people who said they were Republican said they were against abortion. But 81% of Democrats and 73% of independents favored abortion.

U.S. economy worse than previously reported

The Bureau of Labor Statistics initially calculation of job growth in the United States had to be revised after rechecking its survey results against company tax records filed in states, which are not immediately available.

In most years, the revisions, after tax records, are relatively small, but the current revision of half a million less jobs created, is a huge difference.

The newly revised figures indicate the U.S. economy is weaker than previously reported.

According to the latest data, fewer jobs were created in restaurants, hotels, retailers, and professional business services. Leisure and hospitality employment was cut by 175,000, business services by 163,000 and the retail industry lost 146,400 jobs.

In the Name of Allah, who came in the Person of Master Fard Muhammad, to whom Praises are due forever. And His last and greatest messenger the most Honorable Elijah Muhammad peace be upon him. As-Salaamu Alaikum. Muslim Daily Prayer book by the Honorable Elijah explains how we must pray daily five prayers.

Object of Muslim's prayer is the purification of heart, which is necessary for spiritual advancement. Benefit of Prayer, Allah promises many blessings to you if you turn to Him in prayer. Nations are no doubt destroyed when they indulge in evil inordinately, and they prosper only so long as their good qualities preponderate. Each prayer consists of two parts; one is obligatory (called in Arabic Fard), the other traditional (called in Arabic Sunnah); and each comprised a different number of "steps", known as rak'ahs. Description of a "step" (rak' ahs) consists of the standing, bending, rising, and prostrating positions. After every two "steps" (rak'ahs) there is a sitting position. These are the Muslim daily prayers, Allah gave to His messenger for the believers to pray daily all found in the Muslim Daily Prayer book by the Honorable Elijah Muhammad.

The Supreme Wisdom Volume Two states the following page 54. THE FAITHFUL'S MARK. To be truthful with you, God has said to me, He will not accept any white people in His Kingdom. A special Mark will distinguish the righteous from the devils, and it will be in their foreheads caused by prostrating. The Muslims prostrate in their prayers on rough floors or rugs, which produce a mark on their forehead. (Some of my followers have such a sign now, produced by the five-prayers-a-day obligation). The righteous is always marked by his righteousness, as the wicked is marked by his or her wicked acts. They are actually marked by nature and are recognized by both parties. HOLY QURAN 4:142-145

Continued from page 2

Therefore, you are shown up as a hypocrite through your love for disbelievers.

Verse 145 teaches us that "The hypocrites are surely in the lowest depths of the Fire and thou will find no helper for them." There are some believers who love the person and the language of the hypocrite and wish to help him.

This hurries the believers' own fall. They are against Allah (God) when they try to help a hypocrite.

THERE are many Muslims who try to enlighten the hypocrite. The hypocrite has already proved that he did not want to be enlightened in truth by falling away from it and by taking other than Muslim (believers) for his friend. Being in the lowest depth of fire, here, is not referring to literal fire; it is referring to grief.

The Holy Quran, in other places, again, teaches you that Allah (God) will give this punishment (grief) to the Original Black People before their being given up to literal fire. The fire of grief is so severe that it is like literal fire to the heart. The disbeliever and hypocrite will live in grief and regret. They will get the fullest punishment for their turning back and for their work against the truth, Allah (God) His Messenger and Islam, and for taking disbelievers hypocrites for friends.

This grief will burn their hearts so until they will wish that they were dead.

The Holy Quran Chapter 2, teachers us that when one turns back on his heel and becomes a disbeliever after claiming belief in Allah (God)...Allah (God) Will Not Guide him but will appoint for the disbeliever and hypocrite a devil for a guide. Since he would not accept the Right Guidance of Allah (God) then Allah (God) Will Give him what he was seeking, a wrong guide, the devil, and he will conduct him to the fire of hell.

It is easy to tell the hypocrites even in the line of fashion, for they show love for the indecent styles of the devil.

There are some Muslims who have falling low enough to go stepping out half-nude with dresses above their knees, but yet they had claimed Islam. This is a hypocrite.

THE devil put out his evil and filth for us and it is up to us to accept it or reject it. He does not force you to accept it, You yourself,like it,that is why regardless to what you claim in belief ...it is what you practice (righteousness) that matters.

The Holy Quran is against our claim and practice and work that is other than that of a believer. This singles out many of those once-sisters who claimed belief in Islam.

YOU could not be a Muslim and at the same time be following the devil's way of life. Do not fool yourself.

Verse 142 teaches you that you are trying to deceive Allah (God). You cannot deceive the All-Knowing God.

Verse 143 teaches us that the hypocrite wavers between this and that of truth and falsehood.

A hypocrite will tell you, "I believe in Allah (God) and I believe in Islam." But he is not willing to follow the Messenger of Allah and Islam who is his only chance of getting Love and Guidance of Allah.

THE hypocrite does not see Allah (God) but yet he clams belief in Him, but he is not willing to follow the Messenger of Allah so that he may be guided aright. These are hypocrites who want to believe in part of the truth.

MANY old hypocrites will tell you today, I believe in Allah (God) and Islam." All right then what are you doing out there in the path of hypocrites and disbelievers? Why are you not working and carrying your belief into practice?

If his belief is not carried into practice it does not matter what he says. In his heart, he does not believe the Messenger has been given by Allah (God) for his guidance.

THE Bible (1 Jn. 4:20) teaches that you say that you love the father which is in heaven and whom you have never seen, yet you hate your brother whom you see every day.

YOU CANNOT BELIEVE IN ALLAH (GOD) AND HATE YOUR OWN BROTHER.

Devil Does Opposite of God's Will

In the Bible (Matthew 25), we find that in the Last Days, God will gather up all people and divide them into two groups the sheep and the goats.

The sheep represent the humble, kind-hearted who are easily led astray without a good Shepherd to guide them.

The goat represents the stubborn and hard to get along with people, who lead the "sheep" to slaughter (wrong doing, evil, filth and indecency).

The sheep and the goat are not to be united. They are to be separated.

But here comes the devil. In the year 2000 white European Scientist in the UK genetically engineered what they call "geep" or "shoat". They used a male sheep to impregnate a female goat resulting in live offspring. The new male hybrid "had a very active libido, mounting both ewes and does even when they were not in heat." It has 57 chromosomes. Sheep have 54 chromosomes and goats has 60. The Messenger taught, "Any live germ grafted from the Original is Devil".

Can't Deny He is The Devil

8 or more thousand people, with nearly 200 whites, very.... many were white students and educated people. But I stood there and I told them what Allah has taught me, that they are a grafted people from the Black Man.

I told them how, Allah had taught me, how they were grafted and the time that it had taken their father to produce them and the time that they would live to make all of their mischief upon the earth and to cause bloodshed.

And I told them their time was up, according to the Word of Allah, to me. And that they will be totally destroyed. Not a one has said, "He lied". This is the people that you worship. This is the people that you are looking forward for a future. This is the people that you love and hate you own self and your own kind. But I ask them to come out in mass meetings to listen to what I have to say to show you and to prove to you that what Allah has revealed to me is the Truth and that Allah is behind me and backing me up to speak and tell this Truth and that there is no devil or combination of devils that is able to intervene and put a stop to me!

He may persecute and take you and mistreat you for a few days, but he will not be able to kill me. And you have heard me tell them, "If you think you can do it, go right ahead. I'm ready. Go ahead and shoot." But they don't shoot. And I don't care if you have an army with me out doors, there, to protect me against their evil plans against me. I TRUST ALLAH!!! And Allah Protects me!

Brothers and sisters visiting us for the first time, I want you to think it over. I want you to reason with me on facts. If you never have had a man like me in your midst, if you never have seen a man going around speaking openly, the truth, against people that you have always trembled and feared to open your mouth. And this man walking around in your midst, telling them directly and even the God of this man opens up the enemy's heart to give him the privilege even to speak over their radios and tvs. You see that. You hear me over the air. You see me on the TV every now and then. And yet, that people does not come to 4847 Woodlawn, bomb his house or take him out and string him up, as you think that they would do you, if you attempt such. You would not be bothered anymore than I, if you were a Believer in my God, and were following me, sincere in that belief. You, also would be protected.

You are hard-hearted. You are stiff-necked people. Your neck won't bend to acknowledge fact. Your heart is too hard to receive the truth. I know Chicago. You seek trouble for the truth-bearer. You seek to ruin him with all of your evil talk. You seek to cast him down, who are trying to set you up. But you are making a poor progress because I have God on my side and you have the devil on your side to try to oppose me.

...For the first time since you have been in America, have you exterminating them. Taking it by force. Not by the will of God, but by his own wicked heart and by the might of his gun? Think over that. Then you still want to worship and love a people like that?

You say, "He teaches hate"... The truth is hate to you. The white man said it once and you take it and sing it. To show how much you are against unity among yourselves, you take any old evil thing that is said against your own people and just blow it up like a balloon. That makes you very foolish in the eyes of the civilized world.

With the scars of slavery and of ever-growing and multiplying scars of brutality and murder upon you and I, what do we look like, now, going blowing up the evil of each other to the enemy of both? We have a newspaper. Find in that newspaper a lot of evil things against our people, and I will stop the editor tomorrow. Washington Post Reports Black Voters dismayed by Broken Promises

An article published by the Washington Post, May 20, 2019, reported, "interviews with dozens of Black voters in three competitive states -- Michigan, Pennsylvania and North Carolina found...a sense that past political engagement has been met with broken promises and little progress for struggling communities".

The article went on to say, "In addition to regional divides, voters' perceptions are further muddied by the fact that there are nearly two dozen major candidates, including six women and two black senators --minority candidates who have to contend with the disappointment of some black voters who feel the first black president didn't do enough for them."

According to the article, "For all the energy that helped power Obama into the White House, some voters and activists said, many African American communities still struggle with the same lack of economic opportunity and hopelessness that they endured before Obama's tenure."

Study finds High Rate of Public School Segregation

A study by the Center for Education and Civil Rights (CECR), found that "white students have lower exposure to students of other races than any other group of students".

According to the study, "The typical white student attends a school that is 69% white."

"White students also have only 31% of students who are of other races, on average, in their schools. By this measure, white students are more segregated than any other group," the study says.

We want to be separated. We want some of this good earth that we can call our own. We want to get away from you. We don't want none of your promised jobs. Give us a chance to go and make jobs for ourselves.

What future do we have in you for our people, who are ever-increasing in population and whom you are ever-keeping down as a slave? Never granting them the opportunity, but holding out rosy promises to them. All the time, that, "I will do this, I will do that for you", but they never see you doing anything of the kind. You just give them one rosy promise after another one.

How could we expect the white man of America to give us justice and equal with him and his people, when that he came here with... and taking the country from it's native people by killing them off, you and I, what do we look like, now, going blowing up the evil of each other to the enemy of both? The so-called Negro Press is an enemy. It displays nothing but discord among it's own people. If they want to put it in there at all. then you put it way in the back in fine reading where the reader may overlook it. But they blow it up as a headline.

For years and for years, I have been watching the press. They take a so-called Negro Preacher, any little thing that they can find on him that they can make a big headline out of it...and one of the worse things they are doing, they take a picture of their own woman with a white man or married to a white man, worshipping it in their

Punishment due to Evil Deeds

By Elijah Muhammad , Messenger of Allah

Repinted from Muhammad Speaks October 17,1969

THE title is referring to the punishment of this world (the white world) for its evil deeds of misleading and guiding the people into evil doings instead of the doings of good.

I quote here from the 43rd verse of Chapter 35 of the Holy Quran, from which the above title is drawn. It reads as follows:

"Behaving proudly in the land planning evil. And the evil plan besets none the authors of it."

We Are in the midst of such work going on now. The wicked are forever planning against the Muslims (The Black Muslims in the United States of America), to try to destory the Muslims' good work of reforming those of whom the slave masters and their children have destroyed the knowledge of Self. The slave masters and their children have taken away the decency and intelligence that our people enjoyed before falling victim to our enemies.

THE WICKED go around daily, planning evil against my Followers and me. Should not this evil that they plan against my Followers and me be shared by the planners? This is nothing but an act of Justice. When you go and plan to do harm to an innocent person, should not you suffer that harm that you plan against that innocent person? Yes, you should. And, The God of Justice today Will Make you do so.

THE WICKED sit down and do a lot of idle talk in mockery against my Followers and me. They think that they are capable of defending themselves against the punishment of Allah (God). They will find themselves helpless to do this today. They are proud in their behavior. The authors who designed the evil plans to be carried out and practiced upon the Black Muslims, shall suffer more, and this is what the Holy Quran is teaching you here, in the 43rd Verse of Chapter 35.

General Education from the Slavemaster is not enough

Brother Calvin Shabazz

ATLANTA--Peace to you Brothers and Sisters.

History is our best reward for research. The history we have been given is that of the slave-master and his children, which is their treatment of his slave. That's only 400 years.

One of the Honorable Elijah Muhammad teachings is, the longer you go to the slave master schools the dumber you get.

What he means is it is harder for you to see the truth of who the slave-master really is, because his education is for you to look at truth as false.

This is why you, who have PhDs should read the Honorable Elijah Muhammad's books. All of them.

The information in these two books: ***The Message to the Blackman*** and ***Fall of America***, will set you free.

PhD stands for "Permanent Head Damage". Brain Damage!

To you Bible owners, if you really understand the Book, you would know that the Honorable Elijah Muhammad is the one that the Book is talking about.

To you, preacher, you are the goat. And you know what his responsibility is, to lead the sheep to the slaughter house which is the church.

You know there is no salvation there. The Messenger taught us for years that Christian preachers are the worst enemy of our people. You stink in the nostrils of the civilized world.

As for Black educators, the educational system of America was established by America's first billionaire, John D. Rockefeller. It was called General Education Board and he was a well known Nazi supporter.

In 1902. his founding objective was to use the classroom to teach attitude that encouraged people to be passive and submissive to their rulers.

The goal was, and is today, to create citizens who were educated just enough for production work, under supervision, but not enough to question authority or seek to rise above their class.

True education was to be restricted to the sons and daughters of the elite.

In 1903, the United States Congress adopted this idea from first grade to the highest institution.

This goes back to what The Honorable Elijah Muhammad taught about the PhD. He said, "Now we are one hundred years up from slavery Many of you feel proud that you have been schooled. You have a few diplomas and degrees. You can do little things educationally, but that does not get you justice in America. You still suffer injustice with an armful of diplomas and degrees from colleges and universities.."

That's what the general education board is about, Permanent Head Damage. I rest my case. The only freedom you will ever get is under the guidance of the teaching of the Honorable Elijah Muhammad. Take it of leave it. That is the only salvation for you and me Brothers and Sisters, The life-giving Teachings.

paper. That's the worse thing they could do! Maybe you won't reason with me today, but tomorrow is coming. You will.

It's a shame for us to be like that. The world laughs at you for being such a fool, worshiping and glorifying, yourself, going over to your enemy. And if you're going to say anything in the paper, you should say, "This is one of the most disgraces that could happen to our race, or our woman, or our boy, our son, to be marrying into the race of our enemies."

You shall soon come to know. The white man, today, had planned this to put it on you for many years. When the day of his Doom comes, to go out to deceive you, by making false friends with you and pretending to be in love, sweet-hearting, with you. This is all to get you to go to hell with them. And that, I said in Philadelphia last month and also in St. Louis, in September. Right to the whiteman's face, I told them that "The only thing that you want to do is to get our people to go to hell with you." That's all. He don't deny it because he knows I understand Scripture. I understand his history and I know what he will do. And I'm telling you to his face and to your face, just the tricks that he's playing. It is up to you to benefit from the truth that you hear today or suffer the consequences.

It is very bad that you have turned today in love of your enemy. There is no people on the earth that actually loves their enemies, but the so-called Negro. And the enemy deceived them and fooled them in the Bible, the Christian Bible; by putting in that Bible, "Love your enemy". "Do good to them that mistreats you". "Do good to them that spitefully use you and love them". Making it easy for them to destroy you!

I say, my beloved listeners, you have been deceived and the time of Awaking is now, or sleep forever! This is Plain Truth! And there is no one of that race that is able to put a stop to it.

They said for many days and they are always saying, "We must stop Muhammad!" "We must get rid of Muhammad!" "We must destroy Muhammad!" But Muhammad is still speaking!

If I were not backed by God and by the Power of God, I would be trying to crawl up-under this floor to hide myself from them. But I know that I have a Protector that is capable of protecting me against the world of enemies!

What's on Your Mind? *part 2*

By Minister Michael Shabazz

Greetings to you!

I ended my last article with the words: "Peace be unto you. More on this subject God willing, later."

I suggested that we get a copy of the book, "Message to the Black Man in America" by the Honorable Elijah Muhammad and let's have a conversation.

I talked about poverty and riches and I posed the question what's on your mind?

The very first page of the book, says: "Message To The Blackman in America by Elijah Muhammad Messenger of Allah Leader and Teacher to The American so-called Negro".

Then it goes on to say who published it and where.

Hopefully your book says the same thing.

Then the dedication page, where it says: "Dedication… To My People, The So-called American Negro. Freedom, Justice, Equality; happiness, Peace of Mind, Contentment, Money, Good Jobs, Decent Homes-all these can be yours if you accept your God ,Allah, now and return to His (and your original) religion Islam."

Keep in mind we're just having a conversation.

Minister Michael Shabazz

We've been taught that history and our original religion, Islam. In my last article I discussed the subject of poverty and riches. And I think it's good to take up this subject again because money, good jobs, good homes peace of mind, and happiness is, indeed, what we want and it's what we need, and what we have not had for over 400 years.

Now, I'm going to close this article with the preface to "Message to the Black Man in America" And this is by Messenger Elijah Muhammad, himself, who I believe is the best representative of his Message then all of those out there claiming to represent him

North Korean leader, Kim Jong-un, cited the fate of Libya, and the leader, Col. Muammar el-Qaddafi, as an example of why no one should trust American efforts to disarm another nation.

In 2003, Col. Muammar el-Qaddafi, saw the American invasion of Iraq and the toppling of Saddam Hussein, under President George W. Bush, and may well have concluded that he was next. So, in January 2004, Col. Qaddafi announced his intention to dismantle his country's nuclear weapons program.

In negotiations with Britain and the United States, he agreed to voluntarily hand over equipment for his nuclear arms program, in exchange for economic integration with the West.

The Libya material was flown out of the country, much of it placed at an American weapons laboratory.

Then, in 2011, Secretary of State Hillary Clinton, urged President Barack Obama that he should join European-led military action against Libya "to prevent Colonel Qaddafi's threatened massacre of civilians".

The United States and allies launched air strikes in Libya, And on October 20, 2011 Colonel Qaddafi was pulled from a ditch where he was hiding and savagely beaten and killed in the streets of his own country.

Since then, Libya has devolved into a dysfunctional state. And North Korea has taken notice.

North Korea's foreign minister said that the denuclearization of the North African nation had been "an invasion tactic to disarm the country".

North Korean officials said, had he not surrendered his nuclear program, he might still be alive.

In 2016, shortly after North Korea conducted a nuclear test, its state-run news outlet, the Korean Central News Agency, made direct reference to Libya and Iraq. "History proves that powerful nuclear deterrence serves as the strongest treasured sword for frustrating outsiders' aggression," the agency said.

North Korea made it clear they will not disarm, saying, "The Saddam Hussein regime in Iraq and the Qaddafi regime in Libya could not escape the fate of destruction after being deprived of their foundations for nuclear development and giving up nuclear programs of their own accord," and that it was off base to suggest that the "dignified state" of North Korea could share the same destiny as Libya or Iraq, which "collapsed due to yielding the whole of their countries to big powers." "The world knows too well that our country is neither Libya nor Iraq, which have met miserable fates,"

They pacify that trouble spot today, another one rises up tomorrow. They run from one troubled area to another and this means they are spending money, hundreds of billions of dollars, trying to fix one trouble and continue to produce trouble. They are absolutely confused.

America, today, trying to put down arms on her border, out of the hands of Cuba, in her country, that she suspects that he has. Do you think that they could be successful in disarming a people... who is actually conscious to the fact that when they put down their guns, they have lost their freedom?

America will control Cuba! America will set up the kind of government that will not be against America, if she can disarm Cuba and kill, probably, Castro, or have him killed.

This is the dirty work of the European pale face. Kill off your leaders and make you leaderless, so that they can rule you. That's what they would like to do for Elijah Muhammad, today. Get rid of Muhammad. As one told me to my face. "They say..." (And he was the one that was saying it) "...that if

Keep in mind we're just having a conversation.

We've been taught that history is best qualified to reward our research.

Freedom justice and equality is something that black people (the so-called Negro) has not had for over 400 years.

How many people do you know, black or white, that can truly say that they are happy? That they have peace of mind? That they are content? That they have enough money, that they are happy with their jobs, that they have a decent home , live in a decent neighborhood?

I don't think that there is anyone on earth who has all those things, including myself. But here it is being offered.

You would think that one would jump at an opportunity to have those things. But history shows us that did not happen for many of us.

The offer was made to us on the condition that we accept our God Allah now and return to his

And I think it's good to take up this subject again because money, good jobs, good homes peace of mind, and happiness is, indeed, what we want and it's what we need, and what we have not had for over 400 years.

Now, I'm going to close this article with the preface to "Message to the Black Man in America" And this is by Messenger Elijah Muhammad, himself, who I believe is the best representative of his Message then all of those out there claiming to represent him, put together. And that's not to slight anyone. I say that with all due respect.

But here we have the Preface: "As we near the exhaustion of the Wisdom of this world which has not been able to shed enough light on our path in search for that Supreme Wisdom to keep us from stumbling and falling, we now seek the Wisdom of Allah, The Best Knower and Guide in the Person of Master Fard Muhammad (to Whom be praised forever). The reader will find that light in this book.

Elijah Muhammad,
Messenger of Allah"

So there you have it. As we begin delving into history, if what I have presented so far has not blown your mind, please join me as we continue by God's permission later. Let's have a conversation. As salaam alaikum.

they can get rid of you, Elijah, your followers would discontinue it, and they could take of the matter, then. But as long as you live, they're going to be hypnotized by your 'soft' teachings...". And looked at me and laughed, a dry sour grin, "...teaching that we, white folks is the devil". I said, "Why don't you get out there and teach that you are NOT the devil, then?"

We know these things. We are trying to get them over to you, that don't. Your time of separation has arrived. And God can separate you, as He separated Israel from the Egyptians. He can to do just that. He can force you into submission. Make you have no other way of getting along, but to submit to Him. He's able to make the white man turn a double enemy towards you, that loves him, and mistreat you worse. That's what Jehovah did for the Egyptians. He made the Egyptian, hard task-masters, to double the labor on the Hebrews because the Hebrews were in love with the Egyptians. He made the Hebrew to see that the Egyptians were not their friends, by no means.

Pharaoh planned the absolute death of that race of people, but was unable to put it over. And when he, even, gave them up, then he double-crossed them. He sent his army and got in his chariot, himself, and went out to over-take them. Right? And was drowned

you're afraid of. You are afraid of the white people!

If I'm teaching you and walking around in your midst and is not harmed by them, what right you have to fear them? I'm not running from NO evil plan. And if I, alone, have the trust and confidence in the Security of My God and you see that He's protecting me, what right you have to fear?

You want to have their love for you wherein there is no love in them for you. Your parents have proven to you. Their history proves to you and I that out of all your submission to him and your willing work, pouring out your labor; sweat and blood, to him, he still is an enemy. He cares nothing about that. And the more humble you act to him, the more evil he does.

That's why I said, in Philadelphia, that being peaceful to them or among them don't get you no peace from them. It is, now, time that we have to meet him with what he comes to us with!

As Isaiah (59:15) says, "Truth has failed". So what you gonna do when Truth has failed to erase falsehood? Then you must resort to something more effective! Resort to physical force! Force it away! Fight it away! Destroy it and get rid of it! Because it is not persuaded, by Truth, to do that which truth is asking. Right? I, say then, we must Remember!

We are the type of people that is scared to say that we will stand

reform him. You have 400 years of experience among them, trying to make them to love you and respect you and do good by you, as you were one of them. But you must have closed your eyes upon this people and upon their own evil among themselves. They kill each other. They go to war against each other. So where is any good sign among such people that you should offer yourself, who are not a member of their race, to seek a haven of peace and security among them, when they don't have peace among themselves. I say, Wake Up! Get on the side of Truth and Justice!

...The Christian religion has not wrote any good history at all among Black People. I just want you to reason with me. Take the history of Christianity. Wherever Christianity has been preached among the Black people of this Earth, what was the result? Was the result becoming equal with white people or were they enslaved by white people? Answer it for yourself. Their history is here before you eyes.

What happened, even right here in the South of you? They rode around to where they were enjoying their own independence, before Americans ever was in the Western Hemisphere. What about Haiti? There was, according to the white man, they found forty thousand pure-blooded Black Original people there. And that they were healthy and they had the

like they were no friends of mine. My father told me they didn't never act like no friend of his. My grandfather told me they didn't never act like no friend of his. So you all are late!

(The cross is) a very ugly sign of Christianity. It should be denied and rejected by anyone. Don't tell me I should wear a cross. That's an ugly sign! That's a wicked sign to offer a people for a divine religion...You say, "It's Christ's religion! It's Jesus' religion!" Who in the devil told you that? Nobody but the white man! How could you believe it, when it never brought you no salvation? How can you believe it when the white man teaches you in the Bible and in other places, that they killed Jesus, and the cross is a sign of the thing they killed him on?!

...Truth is truth! I want you to see that you are in hell. I want you to see that the devil of hell has mislead you and you think that you are being led aright...

The Christian religion is based upon falsehood. White man used it on Black people to enslave them. The teachings of this religion is false on the very basic principles of the belief. The principles of belief is based upon a Father or God being The Father, and he has a son that is equal to him, and he has another one over here, that he calls the Holy Ghost, that is equal also to the Father and the Son. This is false in the very beginning. If the father produced a son, two thousand years ago, and He have no birth record, he can't be the equal of his Father. If that son came here praying and begging his Father to have mercy on him, he could not be the equal of his Father. If that son, also, was killed by the enemies of his, two thousand years ago, he could not be the equal of his Father. Because other Prophets, before him, were killed, and he also suffered death at the hand of the same race... You must remember these things, my friend. Elijah Muhammad is trying to tell you these things, and the truth of these things, at the risk of death. I'm telling you. It's up to you to avail yourself and make good of the truth you are now hearing...

I have come to realize, it is because of the same false teaching the devil (white man) used on our

He sent his army and got in his chariot, himself, and went out to over-take them. Right? And was drowned in the Red Sea for his wicked and double-crossing act. This one, here, don't have a Red Sea of water to go across, nor to be drowned in. He will be drowned in a Lake of Fire!

The Time has Arrived! It has come. It is in your doors. It is in your face! Wherever you go, it is The End! Believe me or not!

I believe and feel confident...I am confident, that Allah will protect me. I am confident that I will not suffer Hell Fire because I'm going to try to do The Will of Allah. I feel assured. I feel secure. I feel safe. And I want you to feel the same!

"He teaches hate!" If I teach you "hate the white man", you should laugh and say, "Thank you, if I could get away with it, I'm not only going to hate him, I'm going to get even with him for beating my parents." But no! "I'm afraid to say that. And I'm afraid for you to be telling me that I should look upon them as devils." That's what about that. And the more humble you act to him, the more evil he does.

That's why I said, in Philadelphia, that being peaceful to them or among them don't get you no peace from them. It is, now, time that we have to meet him with what he comes to us with!

We are the type of people that is scared to say that we will stand up and fight! We are the type of people that don't want the white man to think that we will fight to defend ourselves. But I say there's coming a time, that if you don't hurry up and stand up for yourself, your humbleness to the enemy will not get you any farther than the lamb humbling itself to the wolf... We have been humble to them for 400 years and we have not gotten any credit for that. They still prey upon us, to destroy us.

You should know the history of this people, as God has given it. You should know why they should be destroyed. You should know, thoroughly, the truth of them. That they are enemies of Black people. You should know why God wants to destroy them. You should know why other Black people hate them. They are enemies of Black man and can not help themselves because their Father made them such. He made them to be the enemy, and therefore you CAN'T among Black People. I just want you to reason with me. Take the history of Christianity. Wherever Christianity has been preached among the Black people of this Earth, what was the result? Was the result becoming equal with white people or were they enslaved by white people? But after England's sailors and American sailors landed there and started sweet-hearting with that Black man and woman... There they planted syphilis, there they planted gonorrhea, there the planted tuberculosis and all other dreadful diseases. They put it in those Black people, until now, today, there are not even ten thousand of Original people that can be found there.

Look at you, today. Suffering all kinds of misery and diseases of the white man, because you are among them and you're mixing with him and he keeps you filled with all kinds of disease. You have some that they can't give a name to. Don't know what to call it.

We must remember that they are not friends, as you want to tell Muhammad. You will never get Muhammad to believe they are our friends. Muhammad has been here all of his life, and they never acted teaches you in the Bible and in other places, that they killed Jesus, and the cross is a sign of the thing they killed him on?!

Honorable Elijah Muhammad "escaped a death plot" and is alive some where, guiding one particular minister, so that "The Minister" could have a "believable" excuse for changing the original True Teachings of The Messenger.

Now in 2019, about to be 2020, The True Believers, who have been verbally and emotionally attacked for teaching the truth that our Beloved Messenger passed away in 1975, have been proven to be correct.

We are 40 plus years removed from Messenger Muhammad's death. Come on brothers and sisters, do you really believe Messenger Muhammad is on the wheel?

We gotta wake you up today because this false teaching is keeping us divided.

I used to wonder, years ago, why, out of millions of Black People, will there be only 144.000 redeemed?

I have come to realize, it is because of the same false teaching the devil (white man) used on our people with Jesus of 2,000 years ago, with the name of Messenger Elijah Muhammad wrongly placed on it.

It's exactly the same! Even to the "Exalted Christ" slogan added to it.

That's going to cause most of us to fall.

Why stay in love with this damnable false belief, that Messenger Elijah Muhammad is alive on the wheel in the sky.

Listen to Messenger's lectures, where he teaches us that when Christian preachers say Christ is alive, he asked them to produce Christ.

I feel the same way. If the Messenger is alive (Messenger Elijah Muhammad) produce him.

You can't and you know it in the bottom of your heart,

It's time to swallow that pride right now! If you no longer believe in the Lamb's Supreme Wisdom, just admit it.

ALL BLACK PEOPLE WELCOME!

The Messenger of Allah Presents

The Muslim Program

What the Muslims Want

This is the question asked most frequently by both the whites and the blacks. The answers to this question I shall state as simply as possible.

1. We want freedom. We want a full and complete freedom.

2. We want justice. Equal justice under the law. We want justice applied equally to all, regardless of creed, or class, or color.

3. We want equality of opportunity. We want equal membership in society with the best in civilized society.

4. We want our people in America whose parents or grandparents were descendants from slaves, to be allowed to establish a separate state or territory of their own...either on this continent or elsewhere. We believe that our former slave masters are obligated to provide such land and that the area must be fertile and minerally rich. We believe that our former slave masters are obligated to maintain and supply our needs in this separate territory for the next 20 to 25 years...until we are able to produce our own needs.

Since we cannot get along with them in peace and equality, after giving them 400 years of our sweat and blood, and receiving in return some of the worst treatment human beings have ever experienced, we believe our contributions to this land and the suffering forced upon us by white America, justifies our demand for complete separation in a state or territory of our own.

5. We want freedom for all Believers of Islam now held in federal prisons. We want freedom for all black men and women now under death sentence in innumerable prisons in the North, as well as the South.

We want every black man and woman to have the freedom to accept or reject being separated

9. We want equal education -but separate schools up to 16 for boys and 18 for girls on the condition that the girls be sent to women's colleges and universities. We want all black children, educated, taught and trained by their own teachers.

Under such schooling systems we believe we will make a better nation of people. The United States government should provide, free, all necessary text books and equipment, schools, and college buildings. The Muslim teachers shall be left free to teach and train their people in the way of righteousness, decency and self respect.

10. We believe that intermarriage or race mixing should be prohibited. We want the religion of Islam taught without hindrance or suppression.

These are some of the things that we, the Muslims, want for our people in North America.

What the Muslims Believe

1. WE BELIEVE in the One God Whose proper Name is Allah.

2. WE BELIEVE in the Holy Qur'an and in the Scriptures of all the Prophets of God.

3. WE BELIEVE in the truth of the Bible, but we believe that it has been tampered with and must be reinterpreted so that mankind will not be snared by the falsehoods that have been added to it.

4. WE BELIEVE in Allah's Prophets and the Scriptures they brought to the people.

5. WE BELIEVE in the resurrection of the dead -- but not in the physical resurrection -- but in mental resurrection. We believe that the so-called Negro's are most in need of mental resurrection therefore they will be resurrected first.

The Most Honorable Elijah Muhammad
THE LAST MESSENGER OF ALLAH

pendent people and we respect their laws which govern this nation.

9. WE BELIEVE that the offer of Integration is hypocritical and is made by those who are trying to deceive the black people into believing that their 400 year-old open enemies of freedom, justice and equality are, all of a sudden, their "friends". Furthermore, we believe that such deception is intended to prevent black people from realizing that the time in history has arrived for

and that the area must be fertile and minerally rich. We believe that our former slave masters are obligated to maintain and supply our needs in this separate territory for the next 20 to 25 years...until we are able to produce our own needs.

Since we cannot get along with them in peace and equality, after giving them 400 years of our sweat and blood, and receiving in return some of the worst treatment human beings have ever experienced, we believe our contributions to this land and the suffering forced upon us by white America, justifies our demand for complete separation in a state or territory of our own.

5. We want freedom for all Believers of Islam now held in federal prisons. We want freedom for all black men and women now under death sentence in innumerable prisons in the North, as well as the South.

We want every black man and woman to have the freedom to accept or reject being separated from the slave master's children and establish a land of their own.

We know that the above plan for the solution of the black and white conflict is the best and only answer to the problem between two people.

6. We want an immediate end to the police brutality and mob attacks against the so-called Negro throughout the United States.

We believe that the Federal government should intercede to see that black men and women tried in white courts receive justice in accordance with the laws of the land - or allow us to build a new nation for ourselves, dedicated to justice, freedom and liberty.

7. As long as we are not allowed to establish a state or territory of our own, we demand not only equal justice under the laws of the United States, but equal employment opportunities - NOW.

We do not believe that after 400 years of free or nearly free labor, sweat and blood, which has helped America become rich and powerful, that so many thousands of black people should have to subsist on relief, charity, or live in poor homes.

8. We want the government of the United States to exempt our people from All Taxation as long as we are deprived of equal justice under the laws of the land.

What the Muslims Believe

1. WE BELIEVE in the One God Whose proper Name is Allah.

2. WE BELIEVE in the Holy Qur'an and in the Scriptures of all the Prophets of God.

3. WE BELIEVE in the truth of the Bible, but we believe that it has been tampered with and must be reinterpreted so that mankind will not be snared by the falsehoods that have been added to it.

4. WE BELIEVE in Allah's Prophets and the Scriptures they brought to the people.

5. WE BELIEVE in the resurrection of the dead -- but not in the physical resurrection -- but in mental resurrection. We believe that the so-called Negro's are most in need of mental resurrection therefore they will be resurrected first.

Furthermore, we believe we are the people of God's choice, as it has been written. That God would choose the rejected and the despised. We can find no other persons fitting this description in these last days more than the so-called Negro's in America. We believe in the resurrection of the righteous.

6. WE BELIEVE in the judgement; We believe this first judgement will take place in America.

7. WE BELIEVE this is the time in history for the separation of the so-called Negro's and so-called white Americans. We believe the black men should be freed in name as well as in fact. By this we mean that he should be freed from the names imposed upon him by his former slave masters. Names which identified him as being the slave master's slave. We believe that if we are free indeed, we should go in our own people's names - the black people of the earth.

8. WE BELIEVE in justice for all, whether in God or not; We believe as others, that we are due equal justice as human beings. We believe in equality -- as a nation -- of equals. We do not believe that we are equal with our slave master in the status of "freed slaves".

We recognize and respect American citizens as independent people and we respect their laws which govern this nation.

The Most Honorable Elijah Muhammad
THE LAST MESSENGER OF ALLAH

9. WE BELIEVE that the offer of Integration is hypocritical and is made by those who are trying to deceive the black people into believing that their 400 year-old open enemies of freedom, justice and equality are, all of a sudden, their "friends". Furthermore, we believe that such deception is intended to prevent black people from realizing that the time in history has arrived for the separation from the whites of this nation.

If the white people are truthful about their professed friendship toward the so-called Negro, they can prove it by dividing up America with their slaves.

We do not believe that America will ever be able to furnish jobs for her own millions of unemployed, in addition to jobs for the 20,000,000 black people as well.

10. WE BELIEVE that we who declared ourselves to be righteous Muslims, should not participate in wars which take the lives of humans. We do not believe this nation should force us to take part in such wars, for we have nothing to gain from it unless America agrees to give us the necessary territory wherein we may have something to fight for.

11. WE BELIEVE our women should be respected and protected as the women of their nationalities are respected and protected.

12. WE BELIEVE that Allah (God) appeared in the Person of Master Fard Muhammad, July, 1930; the long-awaited "Messiah" of the Christians and the "Mahdi" of the Muslims.

We believe further and lastly that Allah is God and besides HIM there is no God and He will bring about a universal government of peace wherein we all can live in peace together.
